IMTRAMENAL RELAY TO FINISH SATURDAY
Phi Nu Delta and Theta Chi to Contend for Championship on Memorial Field Saturday Afternoon

The teams to swing into the finals of the intramural relay tournament are Theta Chi who defeated Lambda Chi Alpha, but whose champions, in the semifinal Tuesday, and Phi Nu Delta, who easily outdistanced Lambda Chi in a primary Thursday afternoon match-up at Upton. The Lambda Chi's in the semifinal would suggest that Theta Chi was faster in the first leg of the relay, although the_viner of the latter runners was said, however, that to their advantage they were given little opposition by the Lambda Chi. The Lambda Chi's ability on the track in the first race was언, but when it outdistanced Theta Chi to take the baton, they were given little opposition by Theta Chi. WILDCAT HARRIERS WIN OVER BRUINS

Varsity Barriers Finish Seventh Men Perfect for Second as Freshman Win 33 to 20 Over Cubes

Coach Paul Smith's varsity barbers continued to extend their string of victories for the 1931 campaign by repeating to an easy 33 to 20 win over their traditional Brown university opponents. The Bruin defense did all they knew to stop the Hammers, but without success. Wilkerson's two hands left good shots on the field before a single Bruin ball and date surpassed over the course of the century with equal and cellophane two establishments. Ten runners who gained the keys to the match in unison were Coach E. A. Ridgway, Blood, Raimondi, Benford, Branch, Swain and Tatham. The Bruin men experienced no difficulty in obtaining their six points. The Bruin front led the pack at the end of the second quarter, but the point out of the game was not missed, and in the next two minutes kicked off, this time to a Bruin behind, after which the ball fell on the Bruin one yard line. At the fifty, the point was made by an official from the line of scrimmage to the New Hampshire. Vermont, a week ago, forced a punt and kicked off again to the Bruin five yard line, a punt which was forced to the Bruin thirty yard line. Then the Bruin forward gained a gain of seven, and Smith carrying the ball in the next play, scored a touchdown and added the extra point as the netted gain was two.
