**KITTEN HOOPSTERS**

Definitely the frosh proved very strong on offense and did an excellent job of practice during reading. The boys were outstanding. Walker played an excellent game, although in the second half was out. He has strong potential outside. Coach Carl Lundholm used his entire squad in order to find out his best combination and the ability of individual players. He expects a marked improvement in offensive playing after the team has had the opportunity to gain practice.

**KITTEN PUCKSTERS TO FACE LAWRENCE**

Lack of Practice Handicaps Coach

Coach Carl Lundholm faces a dilemma this year. The Kittens open their season today against Lawrence, a powerful team, and the England victors of the 1931-32 season. The Kittens have had only three weeks of practice and are handicapped by the absence of the three forwards who were key members of the winning team last year.

The regular weekly meeting of the Y. W. C. A. at the Commons on Saturday evening was held at 7:00 p.m. Monday, December 15. The meeting was opened with a business session of the chapter, the installation of officers, and the presentation of the charter by Grand Prytanis Beach, which concluded the actual installation ceremonies.

Sunday morning the meeting was opened by the officers and the remainder of the business was conducted with a conclusion of the business, and adjourned. In the afternoon a formal meeting of the national assembly of the chapter, the installation of officers, and the presentation of the charter by Grand Prytanis Beach was conducted.
