Winter Sportsmen Leave for Hanover

Twelve Selected to Make Dartmouth Carnival Trip

Blue and White Winter Sports Team Heads for Hanover to Participate in Eight Events Scheduled for Carnival Weekend

The New Hampshire winter sports team left Durham by bus at eight o'clock this morning for Hanover to compete in the annual Dartmouth Carnival coming up this week-end. It will take advantage of what promises to be the best skiing conditions of the season. The trip was made in the hope that favorable weather may continue so that the teams selected to make the trip may also be able to compete in the Hillclimb and other events.

In case there is no snow in Hanover the teams will return to White Mountain, where they have been practicing, and prepare for the winter carnival to be held Friday and Saturday.

Dean to Make Trip

The winter sports team consists of 12 men—Charles, Arthurs, Killian, Wotheridge, Bickford, and James in ski races, Doane, Stanwood, and Rhyne in snowshoe races, and Mullen, Smelling, and Rhyne in bob-sled races. While many of these men are novice skiers and have not had much chance to practice, they have been told that they will give a good account of themselves if the weather continues to be favorable under actual snow and ice conditions.

VARSITY MULTIPLE MEET AT DURHAM

In the final number the women’s team was carried through to the final gun.

Winners of the meet were: Men’s, Gorman; Women’s, Bay State.

The winter sports team will leave Hanover as soon as favorable conditions allow.
