1935 GRANITE DEDICATED TO COACH COWELL, U.N.H. DIRECTOR OF ATHLETICS

Well Known Coach Enters Into Twentieth Year of Service as Athletic Head of University

GRANITE HAS NEW SECTIONS

Individual Pictures of Seniors and Queens to be Included

Marvin A. Eiseman, editor of the 1935 Granite, has announced that the dedication of this year's junior class annual will be to William H. Cowell, University director of athletics who will enter on his twentieth year of service next September.

Coach Cowell has become nationally well known in sporting circles of late years through the American Football Coaches' Association of which he is a former president, and now is, and has been for several years, the secretary-treasurer. For his excellent work in football due to his integrity as a coach; for the honor which he brings to the University due to his capabilities in the A. F. C. A.; and for the high standard upon which New Hampshire athletics now rest because of his vision, the Granite extends to "Bill" Cowell the true admiration and sincerest thanks of the entire student body.

Most of the junior year book has been sent to the printer; it will be published according to schedule on May 31. The freshman class in order to help the Granite has inserted a complimentary advertisement; it is hoped that the three upper classes will do likewise.

The many additional features in this year's Granite will undoubtedly make it the largest book edited at the University. The Mayoralty Campaign with appropriate pictures will feature one section of the year book. One of the main sections will include outstanding events of the school year, such as: University Day, Winter Carnival, campus scenes, Outing Club snaps, Military Science pictures, and other interesting events. There will also be a section devoted to the queens: Irene Couser, Clare Short, Natalie Hadlock, Olive Thayer, Honorary Cadet Colonel, and Pauline Martel, junior class queen.

The Senior section will be headed by pictures of Delio Caminati and Ruth H. Johnson, the boy and girl recently selected most representative of the blue and white. The names, addresses, pictures, and activities of every senior will complete this section. This is the first time that senior individual pictures have been included in the Granite; it is hoped that their addition will make for a better and more complete publication. The junior individual pictures will follow the senior section with activity lists. Following this will come the section containing the names and addresses of all the sophomores and freshmen.

The general design of the book will follow a modernistic theme. Edward Colin Dawson is preparing the drawings.

Orders for the 1935 Granite should be given in at the offices in Ballard Hall. Office hours from 5-6 p. m. daily have been inaugurated; those students who wish to be informed or to submit subscription money should call at the Granite offices between these hours.

Marvin A. Eiseman

Erato Club Meets at Dr. Richards'

Ralph Mott and Margaret Page Elected New Members of Club

The Erato Club held a meeting at the home of Dr. Richards on Friday, April 20th. At this meeting two new members Margaret Page and Ralph Mott were elected.

The Erato Club is the poetry club of the University and includes nine active members, each representing one of the nine muses. Erato signifies the muse of love poetry.

George Abbe, the club advisor, states that Margaret Page, a freshman, and Ralph Mott, a sophomore, have made rapid development within the past year. All the other candidates have made great progress and all show signs of promise. According to Mr. Abbe indications point to a new stock of poets to take the place of the old dynasty headed by Shirley Barker and Ruth Dodge.

At present there are two vacancies in the club and it is hoped that two future poets will apply for membership very soon. Erato Club is also open for contributions at all times.

STUDENT WRITER HAS MANY CONTRIBUTORS

The editors of the Student Writer announce that a number of the old contributors and many new ones will be represented in the 1934 issue. Although copy will not be going in until the very last of the week at best, it is safe to say that such writers as Catharine Dunlap Blaisdell, Theodora Libbey, Shirley Barker, John Starie, Isabel Alden, Alice Walker, Maurice Kidder, and Cecile Martin will appear once again.

It is also possible to mention a reprint of Reliefs from the volume The Dark Hills Under by Shirley Barker; and in addition, the printing of the story by Alice Walker that won second place in last year's national story contest. These two pieces alone would make the Writer an issue of distinction. But there will be numerous other pieces of great merit, including some new poetry by Miss Barker which will for many surpass anything she has previously done.

Soph. Hop Tonight Features Vagabonds

Committee Promises that Semi-Formal Will be Enjoyable

Soph Hop, second spring term dance, will be held tonight at the Men's Gym, with music by Al Dwyer and his "Virginia Vagabonds." The affair will be semi formal and will last from 8 o'clock until midnight.

The "Virginia Vagabonds" have been featured at practically every ballroom in New England, and have played for major social affairs at many colleges in the East. Among the colleges at which the Vagabonds have appeared are Dartmouth, Wellesley, Tufts, Bowdoin and Northeastern. In the near future, the band will appear for an already contracted engagement at the Lynn Press Club, where Rudy Vallee and his orchestra are to be featured soon.

The Sophomore class, through the Hop committee, promises that the Gym will have novel decorations along an entirely new plan. The committee extends a cordial invitation to the faculty and students of the University to attend the dance, and Chairman Alvin Parker says that the dance, having engaged the best orchestra of the year, must have the whole-hearted support of the Sophomore class to compensate for the low subscription rate.

Chaperons for the Hop will be Mr. and Mrs. Ernest Christensen and Mr. and Mrs. Leavitt.

The committee members for the dance are Jerry Chase, James Tatem, Ralph Reed, Doris Fowler, Arlene Brazel, Helen Henderson and Chairman Alvin Parker.

First Get-to-Gether Held by Outing Club

Many Present at Entertainment Held in Ballard Hall, April 23

On Monday evening the Outing Club held the first campus get-together of this season, from six o'clock on. Supper was served to members of the Outing Club in the Christian Work parlor on the first floor of Ballard Hall and in the meantime, the new offices of the club on the third floor of Ballard were open for inspection for the first time. During the evening, about one hundred people inspected the offices and took supper; among these were President and Mrs. Lewis, Mr. and Mrs. Henderson, Mr. and Mrs. Lundholm, and Mr. and Mrs. Sweet.

After supper, movies of the horse show and many of the Outing Club mountain climbing and skiing trips were shown by Jack Sturges. These pictures showed members of the Outing Club on top of many of the peaks of the White Mountains and Catskills, and with members of other Outing Clubs at College Week and other guest trips. Besides these pictures were some showing a demonstration of the finer points of skiing by some members of the Dartmouth Outing Club at the recent ski week-end at Washington, N. H., this winter at which the New Hampshire Club was host.

Dancing had been planned for the gathering at Ballard Hall, but because of the number of people present, the party adjourned to the Commons Organization room where a very informal dance was held. Part of the dances were of the old time "square dances" style, and the rest were of the less intricate modern type.

Although this was the first party of this kind held by the Outing Club in recent years, rumor has it that there will be others like it in the future. The Outing Club has issued an invitation to all persons to come in and visit the new offices.

Serving on the committee were Genevieve Blake, Ruth Libby, and Virginia Westcott. Margaret Felix and Phoebe Graham furnished the music.

WEEK-END WEATHER FORECAST

Friday, April 27, 8 a. m.
Showers were occurring yesterday throughout the midwest and snow flurries were falling in Canada north of the Great Lakes under the influence of a trough of low pressure which yesterday morning extended southwestward from Hudson Bay to Texas. A high pressure area was, however, approaching from Manitoba bringing with it fair, cool weather while another storm appeared to be entering the continent from the Pacific northwest. Cloudy, warmer weather with showers will accompany the passage of the trough of low pressure will be at least one day of fair, good weather before the approach of the Pacific disturbance.

Overcast and warmer today probably with occasional showers. Clearing and cooler tonight or early tomorrow morning. Saturday, generally fair and cool. Sunday, increasing cloudiness and rising temperature during the morning possibly followed by some rain before night.

DONALD H. CHAPMAN,
Geology Department

ANNUAL SPRING CONCERT, MAY 2

University Glee Club to be Assisted by Portsmouth Chorus

WHITCOMB TO PLAY

Well Arranged and Varying Program to Contain Many Features

The annual Spring Concert will be presented by the University Glee Club and Orchestra assisted by the Portsmouth Men's Chorus, on May 2, in the men's gymnasium, at 8.15 P. M.

The program, ranging from the calm, elevated fifteenth century church music represented by Palestrina to the modern British composer, Ralph Vaughn Williams, should have an appeal for everyone. Feature numbers will be two scenes from Wagner's "Tannhauser"—"The Pilgrim's Chorus" and the chorus "Hail Bright Abode" sung by the combined forces. In addition to the Portsmouth group there will be another guest artist, Mr. Mervin Whitcomb of Boston. Mr. Whitcomb is a graduate of the New England Conservatory of Music and is now working for his M.A. degree there. He will play his two graduation pieces as his solo numbers. As he is a well-known violinist in Boston's music circles, his offerings should prove to be a treat.

The Portsmouth Men's Chorus has an enviable reputation throughout the state for their fine rendition of the popular choral works. They are led by Mr. Ernest Bilbruck, who is Supervisor of Public School of Music in Portsmouth. Mr. Bilbruck will conduct the numbers which the Portsmouth group will do in the concert. Another feature of the program will be the Class of Music, 127-c (The History and Development of Choral Music) which will be a sixteenth century madrigal and an arrangement of an old Scotch folk-song "Ca' the Yowes." Miss Lorraine Raitt, '35, will play a group of two pianoforte numbers as a part of the program. She is an advanced pupil of Professor Manton, who will also conduct the choral part of the program.

The numbers to be presented are: Overture—Iphigenia in Aulis, Gluck Orchestra
Antiphonal—Adoramus Te, Palestrina Glee Clubs
Madrigal—Matona Lovely Maiden, Lassus
Folk-Song—Ca' the Yowes, Arr. R. Vaughn Williams, Music 127-c
Chorus—Pilgrim's Chorus, Wagner Men's Chorus
Unfinished Symphony (1st Mov.), Schubert
Orchestra
Romance—(2nd Concerto Dmin), Wieniawski
Pappini
Feu Follet, Mr. Whitcomb
Chorus—Secret Nook, Brahms Glee Clubs
Chorus—Lift Thine Eyes, Logan
Chorus—On the Sea, Buck
Chorus—Short'nin Bread, Wolfe
Portsmouth Chorus
Clair de Lune, Debussy
Scherzo in Bomin, Chopin
Miss Raitt
Chorus—Hail Bright Abode, Wagner Combined Groups

Tickets for this concert are twenty-five cents and may be procured from members of the Glee Clubs or at the College Pharmacy, The College Shop, and the Wildcat. They may also be purchased at the door.

Ruth Witham Leads Prom Queen Contest

The sofa sitters, who have worn out all available indoor seating space on campus this winter, have come crashing through with their respective choices for Queen of Junior Prom. Judging from the way the count ran in this week's poll, many of the boys are voting for their own women.

To publish the names of all who received votes would be impossible. Instead we print here only the names of the leaders. Try guessing from whom their votes came. We might even establish a contest for this, too.

Ruth Witham of Theta Upsilon sorority is in the lead, closely followed by Frances French of Phi Mu. The others near the leading position are: Millicent Shaw, Alpha Chi Omega; Geraldine McIntosh and Dorothy Wheeler, Chi Omega; Marjorie Horton and Marjorie Beck, Alpha Xi Delta; and Betty Emerson, Kappa Delta.

All ballots must be deposited in THE NEW HAMPSHIRE box in front of Ballard Hall, and only official ballots will be accepted. Names of those voting will be kept secret.

U. N. H. Outing Club Installs Officers

Many are Present at Annual Banquet at Memend's Pond, April 19

At the annual Outing Club banquet for installation of new officers, held at Memend's Pond on April 19, a steak cooked by the newly elected freshmen members of Blue Circle was the principal corpus delecti.

Alumni invited as guests of the club were: Clark Stephens, Paul Sweet, Carl Lundholm, Malcolm Chase, Richard Daland; with Miss Edna Boyd and Miss Gweneth Ladd, honorary members of Blue Circle.

Hollister Sturges as toastmaster first, asked brief speeches from each of the guests. Next George Parker, president of the club for the coming year was introduced. He commended Sturges and Crowell who have both held the president's position, for the hard work and continued interest they have shown in the club's activities. Parker then introduced Alvin Parker, secretary; Glen Stewart, treasurer; and the directorate; public relations, Clinton McLane; trips, Frank Musgrove; assistant, Walter Brown; cabins and trails, Leon Magoon; carnival, Art Toll; winter sports, Melvin Wright; fish and game, Art McLane; membership, Bill Weir; and women's activities, Helen Henderson. Freshmen who prepared the dinner were Ed Wyman, Will Bartlett, Clark Flanders, Alexander Munton and Paul O'Neil.

For the past three week-ends members of the club have gone to Tuckerman's Ravine on Mt. Washington for the spring skiing which is unsurpassed in this country. Snow is expected to remain in Tuckerman's until the middle of June.

Untimeliness of N. R. A. indicated By Experimental Administration

by James G. Birch

The NRA is fifty years behind the times. Such a statement sounds, perhaps, like an indictment or maybe even heresy, depending upon the degree of faith one possesses in our present administration. However, it happens to be pretty close to the truth.

The essential thing to remember, and which seems so obvious as to hardly require comment, is that the NRA is nothing more nor less than an attempt to establish a planned economy. Whether the policies it is now pursuing are right or wrong has no primary place in the present discussion. The administration frankly admits that the plan is still in its early experimental stages. And it is this latter fact which plainly indicates how far behind the times the NRA really is. If this were not so, then our planners would no longer be stumbling around in the experimental laboratory, but would be out on the highway with a fundamentally sound and smooth-running economic vehicle.

But we cannot blame our planners to any greater extent than we are willing to blame ourselves. If we are careless voters we get careless governments. That is what has happened too often in the past.

It is what was happening when Horace Greeley coined the phrase "Go West, young man, go West." In effect, Mr. Greeley was encouraging anarchy. For every young ear

SHERWOOD EDDY, AUTHOR, WORLD TRAVELER, SPEAKS AT CONVOCATION MAY 3

Noted Student of Statecraft and Politics Will be Guest of Y. M. C. A. Next Week for Four Lectures to Students

Sherwood Eddy

MINISTERS WILL VISIT CAMPUS

Fraternities Will be Host to Visiting Clergymen for Lectures

Dr. Sherwood Eddy, author, lecturer and world traveler, will give a series of four talks for University students beginning at convocation on Thursday, May 3, and continuing with an address in the evening at 7:30 o'clock in Murkland Auditorium. On Friday, May 4, at 11 o'clock, Dr. Eddy will speak in Murkland Auditorium, and will appear there again at 4 o'clock in the afternoon. This is the last lecture by Dr. Eddy before he sails on June 20 for Europe, Russia and the Orient, a trip which will keep him abroad until January 1935.

Dr. Eddy was graduated from Yale with the class of 1891. In 1896 he financed his own expedition to India. After fifteen years of work among the students of the Indian empire, he was appointed Secretary for Asia for the National Council of the Y. M. C. A. Before the world war, Dr. Eddy was engaged, with Dr. John R. Mott, in conducting meetings for students throughout Asia. Dr. Eddy spent five months in war-torn China in 1931-32. At the request of Chinese leaders, he made the visit in an attempt to stem the tide of Chinese communism. He was in Mukden, Manchuria shortly before it was invaded by the Japanese. He holds honorary degrees from many colleges and universities.

In the field of writing, Dr. Eddy has contributed several books on crucial political and social problems. Among them are *The World's Danger Zone*, *The Challenge of the East*, *The Challenge of Russia*, and *The Challenge of Europe*. Last year he published *What Can We Learn From Soviet Russia?*

Dr. Eddy, from his great activities as a political student in over thirty countries, numbers among his acquaintances such men as Prime Minister Ramsay MacDonald, Bernard Shaw, President von Hindenburg, Professor Albert Einstein, Mahatma Gandhi, Kagawa of Japan, and Chiang Kai-shek, former president of China.

Among the topics Dr. Eddy will speak on during his visit in Durham are:

1. Russia today, what can we learn from it? (Comparison of capitalism and communism)
2. Three Dictators—Hitler, Stalin, Mussolini
3. Danger Zones of the Social Order.

4. Do we need a New Reformation? (A challenge to our religious and social beliefs)
5. Challenge of Religion
6. Russia and India

As a supplement to Dr. Eddy's visit, the various fraternities have invited ministers to spend Thursday and Friday, May 3 and 4, as their guests. Those who have accepted invitations are the Rev. Wallace Anderson of Manchester, the Rev. Franklin Frye of Amesbury, the Rev. James English of Manchester, Rabbi Chaimo Essrog, the Rev. Wilbur J. Kitchen

DURHAM, N. H., APRIL 27, 1934

OUR ANSWER

In the April 16 issue an editorial entitled "Planned Education for Public Affairs" advocated the establishment of a Public Affairs department in the Liberal Arts College. There has been considerable criticism, favorable and otherwise from faculty and students on our stand we took in the editorial. With this in mind, it seems appropriate at this time to acquaint our readers with our intentions of advocating the establishment of such a course for the University curriculum.

The author of the editorial was quite aware of the Citizenship course which is now conducted in the Political Science department and open to all University students. We owe considerable to the untiring efforts of President Lewis, Mr. Kalijarvi and former Governor Tobey for the establishing of this lecture course at the University, one of the very few colleges or universities in the country to have such a valuable and practical course in its curriculum. In a certain sense the author admits his unfairness to our administration and the Political Science department in his treatment of the problem and for not giving the readers the complete picture of the course now offered by the University.

What we did have in mind was making this course compulsory for all University freshmen and secure the services of at least two additional instructors for the Political Science department. It is very apparent to anyone acquainted with the department, the number of students, its number of courses offered, its many major students (second largest number of any department on campus) that the number of instructors is insufficient to adequately serve the students. It is also our desire to secure if possible from the Merrill Speaking Foundation in Exeter the services for this course of the eminent speakers who address the groups there.

Oswald Garrison Villard writing in the Nation recently sounded the need of the establishment of such a course when he said "I think that the entire life of the university should be built around the existing economic crisis, that the first function of such an institution should be to keep the students and faculty currently aware of the momentous changes that are going on in our political, economic, and social life." While we quite agree with the general statement we do not feel that the entire life should be devoted to current problems only, but that students through their classroom work and instruction must keep abreast with the times and be alive to observe what is going on about them.

The establishment of such a course, we feel sure, will receive the at-

ention of our administration, board of trustees and Dean of the Liberal Arts College who in the past have so generously and willingly cooperated with us for the best interest of the University when we have approached them with a constructive plan or criticism.

WHY NOT FOR US

Dartmouth was this week afforded the rare opportunity of hearing as a convocation speaker our assistant secretary of agriculture, Rexford G. Tugwell. There certainly is no doubt but that every student who had the privilege of thus having direct communication with one of the key men in our present administration felt that his time was very profitably spent.

In times as turbulent as these it is almost imperative that students be presented with occasional opportunities of this nature. It is as much a part of their education as is any type of classroom or laboratory work.

As a reflection upon this matter the question arises as to why our own University cannot present us with an occasional speaker from the national capital. There are men down there who are running our country, and it is not too much to say that the students of the University of New Hampshire are as much interested in what is going on behind the scenes as is any Chamber of Commerce or any group of loyal Rotarians.

Unfortunately, we have not the best of facilities with which to provide for such an event. But there are strong possibilities that some sort of satisfactory arrangements could be made. It seems a bit unjust to discard golden possibilities merely for the lack of first-class accommodations.

Ranchy tho. He's been beefing ever since.

That Lacrosse may be a game to some people but it's just plain crash and carry to us. The "Rabbit" plays a great game but never touches the ball.

Chet Furmans has got himself a permanent "chip" off the old block. It's about time. He's been putting them on the table all winter.

Chas "Varsity" Grocott becomes Chief of the Chi Omuggers—another conquest for McIninch.

We don't know whether its the boys or the co-eds that are slipping but the Dover girls are getting a lot of time. Well a fellow has a choice in Dover whether to pick up or liquidate.

Al and Chipper worked hard but they finally got "Lizzy" in shape. What a picture (The old tin type) Isn't it a little early for the rattle folks—

"Gab" Burgess who can sure toss off a thimble full, says he's studying pre-med but he'll make a Farmer yet—what about it Lib?

What's the story Wilde? Going to the movies alone? No dough or no rating. A car does make a big difference. Is it a free wheeler?

Then of course there's Butch McKenna who didn't duck (and got his hair cut) He and the pepper killed the cat just in time. Seers said things had gone about fur enough around there.

ALUMNI NOTES

The sixth annual meeting of the Portland branch was held on Friday, April 6, at the Deering Men's Club on Stevens avenue, Mr. and Mrs. Ralph "Buck" Harvell, Mr. and Mrs. Orrin Whitney, and Harold Hawkes had charge of arrangements.

The meeting took the form of a poverty party and everyone came dressed in appropriate costume. Everett S. Whittemore won the men's prize for funniest costume and Mrs. H. Goodrich Heywey's costume won the women's prize. They were a comical pair as they solemnly marched around the hall to be admired.

After dinner there was a short business meeting at which time new officers were elected as follows: President, H. Goodrich, Jr., '18; vice president, A. Erlon Mosher, 2-yr. '14; secretary-treasurer, Rachel P. Wilson, '24; delegate to the advisory board, D. Kilton Andrew, '23.

The rest of the evening was devoted to games and contests. The crowd became hilarious over the men's hat trimming contest. George Coleman of Wiscasset received first prize for his creation, with Mr. Hewey and Charles Wilson taking second and third.

Others present at the meeting were: Mrs. Whittemore, Mrs. E. Dewey Graham, Mrs. Andrew, Mrs. Mosher, Robert A. Wilson, Mr. and Mrs. Roger P. Whedon, Mrs. Coleman, Mr. and Mrs. Daniel Felix and their guest, Miss Helen Mitchell of Houlton.

By Rachel P. Wilson, Sec.

Tragedy visited the Alumni Association on April 11, 1934, when two of the younger members of the alumni body, Mrs. Mollie Shapiro Wolf, '31, and Thomas Sheehan, '32, both of Portsmouth, N. H., passed away.

Mrs. Mollie Shapiro Wolf, a graduate of the University with the class of 1931, died in New York on the night of April 11. She was 24 years of age at the time of her death.

Mrs. Wolf was born in Portsmouth, and educated in the schools of that city, graduating from the Portsmouth High School in 1927. She entered the Liberal Arts college of the University, majored in mathematics, and received a B.S. degree in 1931. While in college she was active in Delta Chi, honorary mathematics society, and the Menorah society.

In 1932 she was married to Edward I. Wolf, '30, and they have been residing in Brooklyn, N. Y., where Mrs. Wolf was active in the Junior Council of Jewish Women.

Mrs. Wolf is survived by her husband, her parents, and an infant son, LeRoy Wolf.

Thomas P. Sheehan, a graduate of the University with the class of 1932, died on April 11, in the Peterborough

"MYSTERY OF MR. X" COMES TO FRANKLIN

A new and exciting picture will play at the Franklin theatre on Monday, April 30. It is a mystery thriller of the first water, a production of Metro-Goldwyn-Mayer entitled *Mystery of Mr. X*.

Robert Montgomery stars in the role of Revel, suave gentleman crook. Elizabeth Allen is his leading lady. She is Jane, daughter of the Chief Commissioner of Scotland Yard which in itself gives some idea of the scope of the new film.

Based on the Crime Club novel, "Mystery of the Dead Police," by Philip MacDonald, it is as exciting in picture form as it was in the widely read novel. Edgar Selwyn did a surprising good job of direction.

Lewis Stone is the super-sleuth and Henry Stephenson the Chief Commissioner. Each, as usual brings a finely drawn characterization to the picture. Ralph Forbes is excellent as the titled, over-drinking rival for Miss Allan's affections.

It is a thrilling motion picture and its producers are deserving of applause.

hospital, Peterborough, N. H., following an operation for appendicitis. He was employed as a forester at the CCC camp at East Jaffrey, N. H., and was rushed to the hospital from there when suddenly stricken. He was 24 years old at the time of his death.

Tom Sheehan was born in Portsmouth, educated there, and graduated from the Portsmouth High School in 1928. He entered the Agricultural college of the University, majored in forestry, and received a B.S. degree in 1932. He was a member of the Pi Kappa Alpha fraternity.

Jangled nerves show in your face

Of course you don't want to look older than you are. That's one reason it's so important to watch your nerves.

For remember, jangled nerves can mark your face indelibly with lines.

It doesn't pay to take chances with your nerves. Get enough sleep—fresh air—recreation. And make Camels your cigarette.

Smoke all the Camels you want. Their costlier tobaccos never jangle your nerves.

COSTLIER TOBACCOS

Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!

NEW GAME BOOK SENT FREE!

New—illustrated book of 20 ways to test nerves... Fascinating! Amazing! "Show up" your friends. See if you have healthy nerves. Send fronts from 2 packages of Camels with order-blank below. Free book is sent postpaid.

"RING UP" another sale

Selling by telephone gets results. In many lines of business, salesmen are finding they can cover more customers more often—and close more sales at lower cost—by telephone.

Bell System men have worked out a number of plans for systematic market coverage by Long Distance telephone. They have also devised telephone plans for more efficient handling of production, purchasing, administration, distribution, collections.

Because Bell System service is fast, economical, adaptable to specific needs, business more and more turns to the telephone.

Alpha Xi Delta
Tau chapter gave a tea at the chapter house last Thursday for the patronesses and pledges.
The Misses Alma and Ethel Townsend are staying at the chapter house.

Theta Upsilon
A benefit bridge was held at the chapter house Wednesday evening, April 25. The proceeds will be part of Tau chapter's contribution to Theta Upsilon's national altruistic work which consists of a health fund for Berea College students at Berea, Kentucky.

Ruth Davis Corson, '31, of Rochester, N. H., her husband and son, Peter, were guests at the chapter house on April 19.
Ruth Brown, '30, of Bristol, N. H., a former president of Tau chapter, visited the house recently.

Phi Mu Delta
Phi Mu Delta held a "vic" party Friday night at the chapter house. Mrs. Cobb, the matron at Hetzel Hall, acted as chaperon in the absence of Mrs. Henderson, the house mother. About twenty couples were present. Renato Castello, who is practicing teaching in Concord, was a week-end guest at the chapter house.
Charles Prisk, '30, was a recent guest at the house.

Pi Kappa Alpha
Franklin T. Wright, the newly elected president of the Gamma Mu chapter of Pi Kappa Alpha, was op-

erated on for appendicitis last Thursday at the Hayes hospital in Dover. He is recovering very swiftly.

Roger Hunt, '33, of Keene, was a week-end visitor at the house.

Ronald Pariseau was elected junior member of Casque and Casket.

Lewis Cheever is to be the new intramural representative.

There will be a "vic" party at the house this Saturday night.

Phi Delta Upsilon
Eighteen members of the faculty attended the bridge party held last Friday night. Eight tables were made up. The first prize went to Marvin Miller, second to Professor Arthur Jones and consolation to Donald H. Chapman. Refreshments were served and were followed by a general discussion.

Tuesday night the following men took the final degree: Edwin Bartlett, Salisbury, Mass.; Philip Edson, West Lebanon, N. H.; Donald Harmon, Raymond, N. H.; George Heins, Durham; Robert Smart, Portsmouth, N. H.; Stanley Tomkinson, Lebanon, N. H.; Fred Varney, Dover, N. H.; Arthur Bryan, Wilton, N. H.; and Ray Sargent, Milford, N. H.

Elmer Wheeler, '31, was a visitor at the house last week.

Sigma Alpha Epsilon
The Minerva Club held a meeting at the chapter house Monday evening. Mrs. Brown, Mrs. Rundlett, Mrs. Anderson, Mrs. Roberts, and Mrs. Gribben were present.

Daniel H. Dickinson, chief engineer of the State Highway Department and William A. Grover, division engineer were guests at dinner on Wednesday.

Phi Alpha
Omicron chapter of Phi Alpha was host at a regional meeting held here last Sunday. Many guests were present and plans were made for new activities. Among the guests present were Ben Kerr of Gloucester, Mass.; Joe Bronstein of Manchester; Ed Rosenthal of Boston, Mass.; and Lou Schwartz of Portsmouth.

At present there is a tennis tournament within the fraternity to determine the men for the intramural competition.

Phi Mu
At a joint meeting of Beta Gamma chapter on April 17, the president of the pledges, Marjorie Carlisle, read a poem inviting the initiates to a party. The pledges surprised the initiates with the attractively decorated dining room. Refreshments were served by the pledges.

Kappa Delta
The members of Alpha Sigma of Kappa Delta gave an informal dinner for Mrs. Shorey in honor of her birthday on Friday, April 19.

Mrs. Clifford Moorehouse (Anita Marston) was a visitor at the Kappa Delta house last week-end.
Mrs. Bertha Bartlett was a dinner guest last Sunday.

Alpha Chi Omega
Anne Nash, '32, was a week-end visitor.

Alpha Tau chapter of Alpha Chi Omega is pleased to announce the marriage of Janice Kimball, '32, to Robert L. Richards in Brookline, Mass., on March 24, 1934.

Dr. and Mrs. Clifford Parker were guests at dinner Wednesday evening.

Lambda Chi Alpha
Alpha Xi Zeta of Lambda Chi Alpha announces with pleasure the initiation of George Meeker, '37, of En-

dicott, N. Y.; Edward Hubbard, '36, of Peterboro, N. H.; Harry King, '36, of Dover; Edward Rogers, '36, of Everett, Mass.; Ransom Tucker, '36, of East Warren, Vt.; Vance Johnson, '37, of Concord, N. H.; William Plummer, '37, of Cooperstown, N. Y.; William Anton, '37, of Concord, N. H.; Robert Chase, '36, of Dover, N. H.; Montgomery Farrington, '37, of Marblehead, Mass.; Edson Mattice, '37, of Concord, N. H.

Alpha Gamma Rho
Visitors at the house during the week were Henry "Skip" Sefton, '32, Fred "Duke" Peaslee, '26, and Alexander "Pokey" Gupfill, '29. Sefton is an instructor of agriculture at Henry Ford's trade school at Sudbury, Mass. He stays at the old "Wayside Inn" now owned by Mr. Ford. Fred Peaslee, well known track star of this institution, and now one of the champion potato growers of the state, came down from Guildhall, where he raises them, to deliver his spring load to the Commons. Gupfill is manager of Dr. Blood's farm at Concord where one of the prize Ayrshire herds of the state is located.

Theta Chi
Dean and Mrs. Alexander were dinner guests at the house on Sunday. Harry Steere, '26, and Malcolm Chase were guests over the week-end. Mr. Yale will give a short talk on Tuesday evening to the members.

Chi Omega
A tea dance was held at the house last Saturday with Mrs. Hoitt, Mrs. Fitts, Mrs. Lundholm, and Mrs. Hawks as the chaperons. The following people were guests: Arnold Rhodes, Edwin Gritz, Harold Tucker, Jake Jackson, Walter Staniszewski, Glen Stewart, Arthur McLane, S. Page, Howard Hall, Leon Ranchynski, Robert McGuirk, Raymond Chaloner, Stewart Chaloner, James Hayes, Thomas Clark, Cynthia Darrah, Ernest Bretsneider.

Delta Epsilon Pi
Mr. Yale was a dinner guest on Wednesday night.
There will be a "vic" party at the house Friday night.

Kappa Sigma
Mr. Kendall was a guest at the house this week.

Tau Kappa Epsilon
Mr. Erwin Bard was a dinner guest at the house April 19. After dinner he led an informal discussion.

A. A. U. W.
At a recent meeting of the Great Bay Branch of the American Association of University Women held in

the Commons Organization Rooms, the following new officers for next year were elected: Mrs. Raymond C. Magrath, vice president; Mrs. Kenneth Barraclough, treasurer; Mrs. T. Burr Charles, member-at-large; and Miss Margaret Hoban, member-at-large. Officers who will continue in their term of office are: Mrs. Helen F. McLoughlin, president; and Mrs. Elythe Richardson, secretary.

Following the business meeting and the election of officers, Mr. Robert Webster of the Department of English of the University of New Hampshire, read selections from the work of Theodora Libbey and Edward Averill which will appear in the Student Writer, soon to be published.

Miss Mary Kennedy of Somersworth entertained delightfully with dancing, with Mrs. Doris Lowry at the piano.

General singing, games, and refreshments ended the evening.

Alpha Chi Sigma
Mu chapter announces the initiation on April 5th of Charles F. Pearson, '34, Robert A. Caughey, '35, Kendrick S. French, '35, Robert F. Tibbets, '35, and Edgar S. Thompson, '36. Following the initiation in Charles James Hall, a dinner was enjoyed at the Hill Top Camp in Rochester. Dr. C. M. Mason of the chemistry department gave a short talk at the close of the dinner. Three members of Omicron chapter at Harvard were visitors at the initiation and dinner.

A meeting was held on Thursday evening, April 19th, in James Hall, with several invited guests present. Through the cooperation and kindness of the chemistry department, two reels of each of the following movies were shown—"Story of a Storage Battery," "Jasper National Park in Canada," "Sulphur," "Down the Spanish Main." A short business meeting and the serving of refreshments closed the evening's activities.

On Saturday, April 21st, Dr. R. H. Kimball, Franklin Temple, Edward Gaffney, and John Wentworth attended the initiation at Omicron chapter held in their house at Harvard and the initiation dinner at the Boston City Club.

Alumnus Designs Tunnel Balances
(Continued from Page 1)

The main feature of the balance is that it can measure the three forces of lift and drag simultaneously.

All castings for this machine, except a few small parts, were made in the University of New Hampshire shops. The construction of the triple balance has just recently been completed and installed in the Aeronautical Laboratory.

The World Moves

by Ralph C. Rudd
"Those who know do not tell
Those who tell do not know"
We have been told about Youth Movements.

Communist propaganda—Oh-ho-hum. Pardon me if I seem to yawn, please. It makes one tired after a while—seems to be blamed again. Can no one but a Russian have an idea he wants to tell others about?

Dean E. M. Freeman of the College of Agriculture of the University of Minnesota has said, "We cannot dismiss the scores of student petitions, the protests of intelligent and clear-thinking individuals, the numerous resolutions of church and other conventions, and the countless other protests which are voiced in all quarters against compulsory drill, as entirely propaganda." And that might apply to other movements, too.

But the Editor disagrees: "The blame may be placed at the door of some of our supposedly educated elders who, through disloyalty to their constitution and duties as American citizens are imposing upon the students this propaganda menace and stirring up superfluous agitation for change." Isn't it too bad that we have been so misled by men like John Haynes Holmes, President William Allen Nielson of Smith College, President Daniel Marsh of Boston University, Rabbi Stephen S. Wise, Harry Emerson Fosdick, and such "stripling" Senators as Borah, Norris, and Nye? Yes, it is too bad, but we really did think they were educated.

"May we have in the future organizations confining their work to the best interests of the American ideals of democracy," says the editor, but nowhere has he defined or described the ideals themselves. Has he anything definite in mind, by which the work of these organizations may be judged, or is "democracy" simply a dreamy, misty, goodness to which we all became attached in our school days?

For us "radicals," it is much more. Democracy is an ideal of equal opportunity for all men, of individual freedom in a perfect social order which gives special privilege to none, gives none the power to exploit, to suppress, or to oppose his fellow beings—a social order in which every man is guided by consideration of the welfare of others. Surely the editor cannot object to our seeking to attain

"Riptide" at Strand Theatre, April 29

Metro-Goldwyn-Mayer's new film starring Norma Shearer and Herbert Marshall opens for a two day run at the Strand Theatre in Dover, Sunday and Monday, April 29 and 30. Although they play in all scenes Norma Shearer and Herbert Marshall do not appear in the opening reels.

Robert Montgomery shares leading man honors with Marshall in the new Shearer picture which has a smart continental background with many lavish scenes staged at Cannes and St. Moritz.

Included in the supporting cast are Mrs. Patrick Campbell, Skeets Gallagher, Ralph Forbes, Lilyan Tashman, Arthur Jarett, Earl Oxford, Helen Jerome Eddy and George K. Arthur.

McCOOEY - TIGHE
Miss Mary Rose McCooey, '27, of Dover was married to Mr. Robert Tighe, '33, of Canaan, Vt., on January 26.

Varsity Baseball to Face Busy Week-end

(Continued from Page 3)

Coach Swasey is planning to start the same team which played at Worcester last Saturday in the Friday game. He may make a change or two on Saturday if the boys fail to hit against the Michaelmen.

Attention is again called to the fact that student tickets will be recognized at both games. The first will be at Dover at 4.00 on Friday and the second at Portsmouth on Saturday at 2.30.

The probable line-up for the Wildcat on Friday is Toll, 2b; Robinson, 1b; Elisabeth, cf; Weir, lf; Walker, ss; Holt, rf; Moody, c; Ellsworth, 3b; McGraw or Targonski, p.

this—pardon me, Dean Pettee, I mean, "to approach this." And surely if the editor believes in democratic freedom of speech, assembly, and petition, he cannot condemn us for being a minority, for, after all, public opinion, the supreme power in a democracy, can be changed only by minorities.

While They Last

1. The picturesque note—correspondence cards, recently selling at 5c, are now going on the counter at 3 for 5c. This is your opportunity to get a supply of attractive University correspondence cards at a closing-out price.
2. Souvenir folders of eighteen views of the University—price cut in half—now selling to close out at 2 for 5c.
3. Post Card House-Cleaning, offering some of our remaining views at 3 for 1c. This is your chance while they last.

THE UNIVERSITY BOOKSTORE

Cost and Quality

It is perfectly obvious that the University Dining Hall should endeavor to furnish the best quality meals at the lowest cost to the students.

Cost must be translated into quality. Without question, the University purchases the highest quality ingredients for all food served the student body. Perhaps it costs a little more; perhaps we could serve our student body at lower prices by using products that do not have the highest food value, but cost must not stand in the way of providing the best.

The \$6.00 Cafeteria ticket for \$5.25 provides a discount worth saving. The 21-meal ticket is an outstanding value for \$5.50.

The University Dining Hall

—about Cigarettes

As to the cigarette paper on Chesterfields

THIS reel of cigarette paper is sufficient to make 42,000 Chesterfield Cigarettes. It is of the finest manufacture.

In texture, in burning quality, in purity, it is as good as money can buy.

Cut open a Chesterfield cigarette. Remove the tobacco and hold the paper up to the light. If you know about paper, you will at once note the uniform texture—no holes, no light and dark places. Note also

its dead white color.

If the paper is made right—that is, uniform—the cigarette will burn more evenly. If the paper is made right—there will be no taste to it and there will be no odor from the burning paper.

Other manufacturers use good cigarette paper; but there is no better paper made than that used on Chesterfields. You can count on that!

Chesterfield

the cigarette that's MILDER

WILDCATS LOSE OPENING GAME

NH Lacrosse Team Lose to Hub Lacrosse Team by Narrow Margin, 10-9

Playing their first game of the season against the Boston Lacrosse Club which is composed of former college stars, the New Hampshire lacrosse team lost by the narrow margin of one point, the final score being 10-9. Fred Martineau, the veteran in-home, was the outstanding New Hampshire player. With only 50 seconds to play, Fred Martineau scored a cleverly maneuvered goal. Again on the faceoff, he started a solo dash down the field which nearly netted the Wildcats a tie.

After tying the score late in the second period by two goals scored by Martineau and Robinson, the more experienced Boston team gained the lead by the end of the half, with the score 6-5. The Hub aggregation held the upper hand during the whole game, except for the final spurt put on by the Wildcats.

BOSTON LACROSSE CLUB
Ellison, g; Reed, p; Henderson, cp; David, ld; Lundstedt, 2d; Childs, c; Hillman, 2a; Sullivan, 1a; Owens, oh; Donovan, lb; spares, Stone, Leroy, Burleigh and Cotter.

NEW HAMPSHIRE
Trow, g; Bachelder, p; Moriarty, cp; Sossane, ld; Jacques, 2d; Morrissey, c; Robinson, 2a; Wilde, 1a; Mullen, oh; Martineau, lb; spare, Healey.

Score, Boston 10, New Hampshire 9. Goals, Owens 3, Donovan 2, Leroy 2, Hillman, Childs, Cotter, Martineau 3, Wilde 3, Morrissey 2, Robinson.

Varsity Baseball to Face Busy Week-end

St. Mike's to be Met Friday in Dover—Dartmouth on Sat. in Portsmouth

Encouraged by last week's victory over Worcester Tech, the Wildcat team will tackle two rival teams this week-end, and are confident of victory in both contests. St. Michael's will be met at Dover on Friday at 4.00, while the strong Dartmouth nine will furnish opposition at Portsmouth on Saturday.

Coach Swasey has been giving the boys a lot of batting practice this week, and the team should improve in hitting. With the veterans McGraw and Targonski available for the St. Michael's nine, the Durham team should be able to take the visitors easily. Upsala was decisively defeated in both starts last week, and should be easy for the Wildcats even if they click.

Dartmouth will be another story. The Indians have the advantage of a training trip through the South, and have already played several tough ball games. With an experienced outfit, they will be a hard nut for Swasey's boys to crack. However, if New Hampshire gets the same type of airtight pitching which characterized the opener, they will give a good account of themselves, and if they pull through with a win, they will serve notice on New England opponents that they are the team to beat this year.

(Continued on Page 4)

WILDCATS SCORE WIN OVER B. U.

Martineau and Morrissey Star in Easy 7-1 Win from Terriers

Led by the two veteran forwards, Freddie Martineau and "Myer" Morrissey the Wildcat lacrosse team won its first victory of the season Wednesday at Boston, defeating Boston University by the one-sided score of 7-1.

Coach Christensen used twenty-four men in drubbing the Terrier team, and many men entered a varsity match for the first time. A number of these new men will see service against the strong Springfield team which will invade Durham for a game on Saturday, immediately after the track meet with Brown.

Martineau and Morrissey were the kingpins on the attack, with Wilde and Robinson teaming up well on the offense. Each of these men assisted in the scoring, with the former pair getting two goals apiece and the latter counting one each. Naimie, experienced forward, scored a goal, playing brilliantly in his first game.

The goal tending of Trow, veteran netman, was a defensive feature of the game. Only once did a Terrier slip the rubber past him into the net, and then the Wildcats had a comfortable lead.

The line-up for New Hampshire:
Trow, g; Moriarty, Jones, p; Bachelder, Gouck, cp; Jacques, Burns, ld; Sossane, Tinsbury, Sweet, 2d; Morrissey, Hall, c; Robinson, Toolin, 1 a.; Wilde, Naimie, Reed, 2a; Tower, Mullen, Harding, oh; Martineau, Healy, Downes, lb.

by Jocko Kearns

By special permission of the mortgage owners (no offense Mr. Editor) you have a new bull artist this week. Don't get alarmed friends and co-eds, I have the baseball fever myself, and am just pinch hitting for his nibs Jimmie Dunbar, the pride of Gloucester by the smell—er—sea.

In following the general policy of this column, I should take a line or two telling all youse guys and gals what a poor humorist Jimmie Bannan is—but, the truth is that I think you're pretty good Jimmie, and besides, you've got something on me!

For sport lovers, the whole spring schedule will not carry such a variety of fine contests, as this week-end. With two varsity baseball contests (in those distant city big league parks) a varsity track meet, and a varsity lacrosse game; why go home this week-end, fellows?

St. Michael's College meets the varsity baseball team this afternoon to start things rolling, at Central Park, Dover. St. Michael's is another one of those teams that always present a question mark to the pre-game dope-

ster. Is it a year-to-year proposition, where the boys either have to deliver or lose their BRT? (Board, room and tuition to you non-athletes!)

The big Green of Dartmouth will send down their varsity baseball team to tangle with Swasey's Wildcats Saturday afternoon at the South Playground in Portsmouth. Swasey hinted this week that he would send "Chippie" Gaw, the newest sophomore pitching sensation, after the Indian's scalp. Gaw looked impressive in limiting Worcester Tech to three hits, and turning back twelve via the strickout route last Saturday in his baptism of varsity fire. After the game, the Portsmouth Dartmouth and New Hampshire alumni clubs are giving the players of both teams a banquet at the Hotel Rockingham. It has been announced that even if there happens to be some basketball players on either team who played in last winter's game, they will eat at the same table.

Varsity track men will match strides, heaves, and wits with Brown on the Memorial cinder track for the opening meet of the year for

Wildcat Runners to Face Brown Sat.

Coach Sweet Expects His Team to Give the Bruins Close Battle

A tight battle is expected at Memorial Field on Saturday when the Brown Bear invades Durham to meet the New Hampshire Wildcats in a dual meet.

Brown started the season with a victory over Rhode Island State college last Saturday and showed a well-balanced unit which may trip the Wildcats. Coach Paul Sweet feels that his men are in good condition, however, and that they are capable of giving the Bruins a close fight.

The condition of Gordon Cunningham, sprint star, will mean a lot to the chances of the Durham team. Cunningham is the favorite to win in both the 100 and the 220, and his presence will be missed if he has not recovered from the charley-horse received in the time trials last Saturday. In the event that Cunningham is unfit, Curt Funston, hurdler, will probably compete in the 100 and Bannan will be expected to handle the 220.

Ted Darling will run the mile and possibly the half mile. The New England champion is in the best condition of his career and should be hard to beat. Murray and Webster will run in the two-mile and should finish in that order.

The weight men will again present Sweet with his hardest problem. Last year this department was the weakest on the team, and unless some of the veterans come through in these events, the strength of the invaders may sweep the field.

New Hampshire will again be strong in the hurdles and in the running events. Sweet is a bit uncertain about prospects in the broad jump, high jump, and pole vault, but has been working to find a successor to Captain Pike and Paul Bertelson of last year's strong team. Ranchynski may fill the bill, in the broad jump, but the loss of Kimball, star two years ago, will weaken the high jump.

With Edson "Chippie" Gaw pitching three hit ball and fanning twelve men, the University of New Hampshire varsity baseball team defeated Worcester Tech by the score of 3-1 on Saturday at Worcester.

Gaw was in fine form for his first start, and held the Worcester sluggers in the palm of his hand, three hits being the total result of their efforts. A long double by Howes was the only real hit which Gaw allowed, and was converted into the only run of the game for the home team. Gaw was a shade shy on control, passing six men, but he always tightened up in the pinches, and was invincible with men on the sacks.

The Wildcat sluggers had their eye on the ball and gathered in a total of nine hits, including doubles by Toll and Holt. Toll also got a single, while Walker and Moody each punched out two clean singles. Robinson and Ellsworth also added bingles to the day's work, and although the Worcester moundmen fanned nine men, the Durham boys came through in the pinches.

Intra-Mural Track Won by A T O Team

Johnson's Throw Gives the A. T. O.'s 1/2 Point Victory Over Phi Mu Delta

Milt Johnson's first place in the discus throw gave the Alpha Tau Omega's a half point margin victory over the Phi Mu Delta fraternity. The final score was, Alpha Tau Omega 30 1/2, Phi Mu Delta 30.

Johnson's winning throw of 123 feet brought the A. T. O.'s from a second place, where they had finished a 1/2 point in rear of the Phi Mu Delta's.

A disqualification in the quarter mile run, put the Mu Delta's in the fourth place, and a point gave them a lead which had not been announced at the close of the events Saturday.

120-Yard High Hurdle—Won by Manchester (Theta Chi); Barker (Kappa Sigma), second. Time, 17 2/5.

220-Yard Low Hurdles—Won by Trion (Phi Delta Upsilon); Manchester (Theta Chi), second; Ranchynski (Theta Kappa Phi), third; Barker (Kappa Sigma), fourth. Time, 28s.

440-Yard Run—Won by Saliba (Phi Mu Delta); Perrault (Sigma Alpha Epsilon), second; Hatch (Alpha Tau Omega), third; Allard (Phi Mu Delta), fourth. Time, 58s.

One-Mile Run—Won by Bratt (Lambda Chi Alpha); Glover (Theta Chi), second; Robinson (Lambda Chi Alpha), third; Munton (Theta Kappa Phi), fourth. Time, 4m 58s.

220-Yard Dash—Won by Lelesky, (Theta Kappa Phi); second, Hatch (Alpha Tau Omega); third, Saliba (Phi Mu Delta); fourth, Bannan (Theta Kappa Phi). Time, 24 2/5s.

880-Yard Run—Won by Allard (Phi Mu Delta); Perrault (Sigma Alpha Epsilon), second; Downs (Phi Mu Delta), third; Woodruff (Theta Chi), fourth. Time, 2m 8 2/5s.

100-Yard Dash—Won by Lelesky, (Theta Kappa Phi); Henson (Alpha Gamma Rho), second; Bannan (Theta Kappa Phi), third; Mangold (Sigma Alpha Epsilon), fourth. Time, 10 4/5s.

Two-Mile Run—Won by Webster (Alpha Tau Omega); Martak (Theta Kappa Phi), second; Mathews (Theta Chi), third; Wheeler (Phi Delta Upsilon), fourth. Time, 10m 13s.

Javelin Throw—Won by Corosa (Theta Kappa Phi); Kimball (Alpha Tau Omega), second; Saliba (Phi Mu Delta), third; Price (Theta Chi), fourth. Distance, 161ft. 6in.

High Jump—Won by Jorgenson (Theta Chi); tie for second between Dean and McDonough both for Phi Mu Delta; tie for fourth between Furman (Theta Upsilon Omega) and Phillips (Alpha Tau Omega). Height, 5ft. 10in.

Shot Put—Won by Johnson (Alpha Tau Omega); Karazis (Sigma Alpha Epsilon), second; Dustin (Phi Delta Upsilon), third; Corosa (Theta Kappa Phi), fourth. Distance, 51ft. 5in.

Hammer Throw—Won by Johnson (Alpha Tau Omega); Ktistates (Phi Mu Delta), second; Chandler (Alpha Tau Omega), third; Scrole (Alpha Kappa), fourth. Distance, 132ft. 6in.

Notice

All University lettermen are invited to attend the banquet in the University Commons Monday evening at which time certificates will be awarded. Athletic Dept.
