OUTING CLUB—NEW LIFE

The election of a new president of the University Outing Club is of more significance than personal honor to the individual concerned and the Outing Club. It is evidence of the great amount of constructive work that has been accomplished by the Outing Club during the last year.

The new president is John Smith, who has been a member of the club for four years. He has shown a strong interest in the club and has been active in its affairs.

The Outing Club is planning to go on a trip to the Adirondacks next month. The club has also been invited to participate in a race in the White Mountains.

The new president has promised to work hard to make the Outing Club the best it has ever been.
