Here

Celebrating more than a year's agitation on the campus, the Student Council is to sponsor the first dance to be held on campus since the "Red" dance took place in February. The dance will be held at the Stag's hall tonight. Band music will be furnished by the Portland Branch of the Portland Symphony Orchestra.

The dance will be open to all students with the exception of faculty members and their guests. Any student desiring to attend the dance must be a member of the council. In order to control the number of guests, no one will be admitted without an invitation.

The dance will begin at 9:00 o'clock and will continue until 1:00 o'clock. The band will play until 1:00 o'clock, and the dance will continue until 2:00 o'clock.

Students Hold Annual Owl Meet

The annual owl meet, sponsored by the Owl Club, was held on the campus tonight. The event, which is a tradition at the University of New Hampshire, is held to honor the University's mascot, the owl.

The meet was held in the gymnasium, and included a variety of events, including a race, a tug-of-war, and aの場合, a gymnastics competition.

The owl team, which is comprised of students from the Owl Club, won first place in the meet. The team was led by the Owl Club president, who is a member of the University's athletic department.

The meet was attended by a large number of spectators, and was enjoyed by all.

The address by Nicholas Murray Butler at the installation of Dr. Dixon Ryan Fox as President of Union College has brought forth praise on all sides. The New York Times, TOO LATE, describes it as "glowing terms as one which should be evidenced in the age and quality of an educational leader." Dr. Butler, however, is not without his critics. Some believe that the American college is starting in at a very late date. Should he be turned out by our colleges from now on he would be forced to recognize that those at present in college have had many years of specialized training. He would find the public mind so warped that intense conflict would soon arise which would leave the man who is truly free will see the world as it is." However, Dr. Butler goes on to say that the American college was in some degree unfortunate in that it started as a school for the teachers and guides of public opinion and public action. "For much too long a time, however, have our own educational leaders been content to take the situation as they find it, instead of striving to make it better."

Granger Rough Cut

"I'm glad I live in a country where a dime is money

—and where I can get good pipe tobacco.

The tobacco which we call mild is best suited for pipes is used in making Granger Rough Cut. It is made by the Wellman Process, and we believe that it will compare favorably with higher-priced tobaccos.

We wish, in some way, we could get every man who smokes a pipe to try Granger.

**SOCIETY**

Wednesday, October 17, is a farewell of the year for the new officers of the Kappa Delta sorority under the presidency of Miss Anna Frances Alexander. Company. Since 1922, it has been the custom to give a farewell and good-bye party to the officers elected for the next year. The purpose of the party is to make it possible for all members to meet. The party will be held at the Theta chapter house, located at 200 Union St. Following the usual business session, was observed by the Woman’s Club of Durham, Friday afternoon, as an amusing skit whose real purpose was to acquaint club women with the basic aims and organization of the Federation of Woman’s Clubs state and national. Other colleges, such as Williams, have read the handwriting on the wall and have already taken such action.

**WHAT PRICE DANCE?—It was indeed gratifying to understand the extent to which the Student Council is doing something really useful in the field of student activities. IT IS ABOUT time that the Student Council took back the management of informal dances from organizations who consider it a money-making racket. The University Dining Hall best for all!

From time to time we tell you facts about Chesterfield Cigarettes. Several years ago Chesterfield were different from other cigarettes—that the tobaccos are different, the paper is different, and the way they are made is different.

Just tell us about that cigarette that’s milder, the cigarette that tastes better.
