Gov. Bridges Will Chaperon at Commencement Ball

Office Committee is Considering Several Popular Bands

Government and Mrs. E. H. Styles Bridge at the New Hampshire University Commencement ball which will be held at the State House in Concord last Friday, June 14, according to an announcement made by Myron C. Ane, Chairman of the Commencement Ball committee. The invitation was extended to the governor in a personal interview at the State house in Concord last Tuesday. Governor Bridges accepted the invitation and stated that unless something very important happened in the state legislature he would be able to attend, he would surely be present. He also expressed his pleasure at attending gatherings of this kind and stated that he was very interested in the University. Governor Bridges will be the first chief executive to chaperon a formal session at the University in five years. The committee has not as yet de- termined the list of bands invited.

Delegates Selected for Junior Month

Helen Henderson Will Do Social Work in Boston Recreation Department

Helen Henderson has been chosen to represent New Hampshire University at the International Junior month which will be held in Boston in July. Helen Henderson was the only member of the University who was selected by a committee composed of Mrs. Edward W. McLeary, assistant professor of education; Mr. Con- tinued on page 2

Lambda Chi Alpha Wins Track Meet

Six First Places Give Team Easy Victory—A. T. O. G.

Crashing through with first places in both half mile, mile, and two miles, and taking all three places in the javelin, the Lambda Chi Alpha track team won the intramural championship of the University, although there are three events, the high jump, pole vault, and javelin throw yet to be contested.

George "Huck" Quinn was the individual star of the meet, taking first places in the quarter mile and half mile, and second place in the javelin. Quinn's record of 1:03.4 in the quarter mile and 2:10.2 in the half mile were both better than the University record. Joe Ireland, of A. T. O., was second and third, respectively, in the quarter mile and half mile.

Six First Places Give Team Easy Victory—A. T. O.

The two feature events of the meet were the half mile and javelin. Dave Morse, of Lambda Chi Alpha, who was second and third, respectively, in the quarter mile and half mile, took third place in the javelin.

The half mile was won by Quinn, with Morse second and Irving Rogers of Phi Delta Upsilon taking third.

Quinn's time of 1:50.8 was a remarkable fast time of 52 seconds. With competition very close in the scoring, with three or four fine throwers yet to be awarded, it is to be regretted that many of these fine men have not taken more interest in the program.

According to members of the athletic department, the sentiment of the intramural representatives is largely favorable for the continuation of the half mile in future years. Therefore it becomes increasingly necessary for the fraternities to choose interested and capable men to handle their affairs, and to step up their efforts more fully.

A large amount of money annually is spent by the University in the running of the half mile. Fraternities can benefit equally from this expense. The gymnastics, university teams, and the J. C. Higgins Athletic Institute are all interested in the convenience of the fraternities in the running of the half mile, and it is urged that they form teams. It would show a better sense of appreciation if every home team could do something towards the advantage of the opportunities of intramural sports.

The half mile is being run in a good spirit. The desire to realize that the delinquents may be spending their time in a more wholesome manner and getting physical training and exercise, even to the extent offered by intramural competition, is a very good part of every college man's career. And even in those cases where things do not work out, it is a decided advantage of the opportunities of intramural sports.

 gamm Alpha Rho third, and Manning of Theta Chi fourth.

John Burnham, A. T. O., freshman, won the hammer throw with a toss of 135 feet. Kinch of Phi Mu Delta was second, Manning of Theta Chi third, and Zai, Phi Alpha, fourth.

Wilblass of U. T. O. won the discus with a heave of 109 feet. Willen of Lambda Chi was second.

A recent publication issued by the New Hampshire Agricultural Extension Station describes a greenhouse which may be substituted for hand labor in the running of greenhouse crops. The study which was conducted with the operation of three types of greenhouses—chain, half, and good driven,

Baseball Schedule

Lists Twelve Games

First Game With Worcester to Be Played in Dover Saturday, April 2

Any game, beginning tomorrow, of New Hampshire varsity baseball schedule, listing eight games to be played in the Near and Pitmanport ball parks while the local field is under construction on the campus. Five of the so-called home games will be played in Central Park, Dover, and three in Portsmouth. The opening game for the Wildcats will be played in Central Park. We also have heard that the varsity will take place in Dover April 27.

With the announcement of the spring schedules comes assurance of a tour, and possible five game information in the interscholastic schedule in addition to the present Wildcat fresh- men sports.

The schedules:

**WOMEN'S SPORTS**

In the first round of the bowling tournament, nearly 200 members of Alpha Xi Delta, Theta Upsilon, and Phi Mu defbrated Kappa Delta this week. The semi-finals will be held next week. The peep pong tournament has also been started, with one girl from each house in the second round.

Pha Gamma Rho third, and Manning of Theta Chi fourth.

John Burnham, A. T. O., freshman, won the hammer throw with a toss of 135 feet. Kinch of Phi Mu Delta was second, Manning of Theta Chi third, and Zai, Phi Alpha, fourth.

Wilblass of U. T. O. won the discus with a heave of 109 feet. Willen of Lambda Chi was second.

A recent publication issued by the New Hampshire Agricultural Extension Station describes a greenhouse which may be substituted for hand labor in the running of greenhouse crops. The study which was conducted with the operation of three types of greenhouses—chain, half, and good driven.

With the intrasportive program provided for in the 1934-35 Handbook, we note that the intramural arrangements for this coming year's competition, we note, with interest. The leaders in the interfraternity total scoring, with three or four fine fine throwers yet to be awarded, it is to be regretted that many of these fine men have not taken more interest in the program.

According to members of the athletic department, the sentiment of the intramural representatives is largely favorable for the continuation of the intramural half mile in future years. Therefore it becomes increasingly necessary for the fraternities to choose interested and capable men to handle their affairs, and to step up their efforts more fully.

REVENGEFUL PATIENT AT LARGE ON CAMPUS

There was quiet in the immaculate rooms of the Head House at the bow of midnight. A nurse sat silently reading Tim New Hampshire as the foot of the bed, where the patient’s hands lay, were bandaged, and barely breathing. The patient lay plastered softly into the room, bent down over the patient, turned to the nurse, and solemnly shook her head. “Has he moved yet?” There was deep anxiety in his tired voice.

The nurse turned to him nervously.

Week-End Weather
Friday, April 19, 8 a.m.

Pressure remains much below normal in Durham while skies are over-cast and conditions unsettled in most of the rest of the country. Weak storm centers appeared yesterday over Texas and over northwestern Canada. Although these storms will probably progress eastward more slowly than usual, either or both of them following their usual course, may bring rain to New England before the week-end is over. There are at present no indications of sustained fair and warmer weather.

Friday: Mostly cloudy and warmer. Light shifting wind.

Saturday: Partly cloudy probably with some rain before night. Sunday: Probably continued cloudy and somewhat colder.

DONALD H. CHAPMAN, Geology Department.

Christian Work Holds Discussion of Plans

Members of the new cabinet of the Student Movement for Christian Work went to a farm in Nottingham last week-end to discuss plans for the coming year. The discussion was designed to work out points of emphasis in the program which were considered important in the light of the present campus and world situation. Stress was laid on the importance of developing a more informal and active membership.

East of the Water Tower
(Continued from Page 21)

"Public Enemy No. 5," Anstru, sure has a bully hump and last night he proved it when he took on "Half Breed" Pete from the widen of Newmarket in a little forearm wrestling. To see him in action you’d never think that he had a silk and satin background.

GORMAN COMES THROUGH
For the first time in the history of Durham, "Jim" Gorman, of Gorman, German, and Mrs. Gorman, came through for the boys and crushed Mike, says Mr. Gorman, who was behind a bar of Fairy Soap, "I didn’t know that they got the Record in Turkey."

HITS AND ENCORES;
Two Robin Flying north, singing, "OURS FELL ON ALABAMA."

To distress . . .

LEAVITT'S LITTLE SHOP

Announcement of the engagement of Dorothy Wood Leavitt, graduate of the University of the class of 1921, to Russell John Channer, son of J. J. Channer of Southsea, England, was made in Dover this week. Miss Leavitt is now residing in New York City where she holds a position in survey work. The wedding will take place in New York City on April 28.
