Summer School to Offer Social Work Courses This Year

Two Three-Week Programs Will Cover Many Courses

Social work courses will be offered this summer at the University of New Hampshire Summer School program for the first time. The University offers both a Federal Inspection and a Pageant Viewed by Largest Group in History of Event.

Federal Inspection

Tuesday
A.M. Inspection of Special Ceremonies
A.M. Inspection of Freshman Inspection
9 A.M. Visit with President Lewis
9 A.M. Luncheon at Commons
2 P.M. Departmental Inspection
Wednesday
A.M. Inspection of Freshman Inspection
9 A.M. Inspection of Sophomore Inspection
10 A.M. Class and Departmental Inspections
9 A.M. Luncheon with Rotary Club
2:30 P.M. Review of the Work of ROTC

Pageant Viewed by Largest Group in History of Event

Shirley Barker Originator of Verse—Mrs. Styles Bridges Honored

The pageant "Let New Hampshire Now Be Queen" on Saturday afternoon was greeted with fair weather and the largest group of mothers and other guests who has ever come to Durham for the Mother's Day program.

Reduced to Formula

A chemist (a man) has at last been able to analyze woman; here it is: Symbol, WO, a member of the human family. Occurrence—can be found when ever man exists. Physical properties—all colors and sizes. Always appears in disguised condition—surface of face seldom unmasked by any sort of paint or film of powder. Billows at nothing and swells at any moment. Molts when properly treated. Very bitter if not handled correctly. Chemical properties—extremely active. Possesses great affinity for gold, silver, platinum, and precious stones of all kinds. Violent reaction when left alone by man. Ability to absorb all sorts of external stimuli. When placed next to a better appearing human is a honored, rapidly. Fresh variety has great magnetic attraction. Highly explosive and likely to be dangerous in inexperienced hands.

Convo Program Will Be Sent to the Student Council

Concurring in the campus opinion that the convocation program will be approved, the Student Council has authorized the registration and delivery of subjects and serve the interests of all the students, the Student Council has added a Sunday program of events. In the past year and a half, having played a lead in last spring term's production, "A Live College Newspaper," let us pause to remember those socially minded and interested in social work outside the university.充分利用当前的教育和资源，为社会工作课程的开设创造条件，与社会工作领域有影响力的组织合作，为社会工作需求者提供必要的培训和支持。使社会工作更加可以被社会所接受，实现自我价值。
The pseudo-literary realism of many minds was striking revealed in some of the reactions to previous University lecture programs. To do this, we took it upon ourselves to feel that the economic and political factors of contemporary human society, a statement of facts is necessary.

Any person today who considers that the economic and political factors have not come to the realization of the economic structures and that the economic and political factors that determine the type of culture and civilization that will be the way - to say that there is an automatic marking off by as being unimportant and of no consequence. Thus when the New Hampshire lecture series was started, there was a great deal of interest, for there was a great deal of interest.

The object of the University lecture series is to develop the capacities of the students to think upon and analyze the important social and economic trends in contemporary life. What better way to do this in the field of economics and political science? A program like this will give to the students a solid basis for an intelligent understanding of the phenomena of present-day existence. And such an understanding is a vital part of one's education, can you really mean that they should remain unacquainted with current economic and political thought?

Varsity Lacrosse
Downs Tufts, 11-2

The Wildcats ended the lacrosse season last Saturday by winning in a lopsided fashion over Tufts. New Hampshire sent seven goals for Tufts. The teams cancelled Tufts all through the game. At the beginning of the first period both teams seemed to be even about evenly matched. Near the middle of the first period the New Milburns and Bertie Tower scored the first two goals for New Hampshire thus giving them the lead which they didn't lose during the rest of the game. At the beginning of the second period Coach Good started sending in fresh attack men and the game turned more in favor of the Wildcats. Merrill and Karazza scored until Bracken of Tufts finally scored one for the opposing team.

After the half New Hampshire settled down and scored four more goals. Milchener of New Hampshire played a half smashing game and was especially outstanding in the defense. The Wildcats' high scorer of the high scorer's high scorer, through Tufts' efforts, kept sending in some beautiful shots. In the final period one of the most spectacular plays of the season was made by Link Gowen. After receiving the half ball, he ran the length of the field and scored the final goal for New Hampshire.

The Wildcats have had a very successful season, having won five games and lost one college game. The New England league hasn't as yet sent down a challenge to the winners of the league.

haven't begun to recover from the shock of finding out that there actually will be a holiday observed at the University of New Hampshire. Someone ought to wake someone up about that holiday racket. How many of us, for example, have ever known a course in which the professor has said, "We'll have the holidays off if you'll teach me the lesson?"

Active men prefer them because they are sturdy and dependable... besides being good-looking. You'll like them, too, and we've one price from $24.75...

Frosh Nine Takes Sanborn Seminary
Froshmen Play Errorless Ball to Win 7-2 Saturday

Limiting Sanborn seminary to six hits, Bob Kerr of the frosh eleven to a 7-2 victory at Kingdon, on Saturday afternoon.

Playing nine innings of errorless ball looking stronger than they have at any other time this year, the Kittens held the contest up until from start to finish. The freshmen managed to hit the ball and thereby that they would be of the most value, and, as a result, few were left on base. The only fields also got their shot on the priests and scored four New Hampshire's hits. Before meeting New Hampshire Sanborn had been undefeated, Sanborn's pitcher, Stoppard, holds the intercollegiate strike out record, having struck out one hundred three and thirteen times in all the New Hampshire game, Bob Kerrhan, former Penn star, was by far the better pitcher striking out fourteen men to Stoppard's six. Kerrhan was well supported by his team-mates, for they collected thirteen hits to their opponent's six.

Contest

Kitten Relay Team Takes Sensational Victory in N. E. Meet

Funston Starts Scoring on 20 Points—Quinn Outdistancing

Although competition was qualified for the finals the varsity track team was able to gather only two points in the N. E. I. C. A. A. A. meet at Portland. The freshman medley relay team, however, came through with a sensational victory.

Curt Funston gained the only two points in the high hurdles, running a strong race and setting a new high mark. The next to the last hurdl=head Bob Pirey, Good Bowdoin, and the Henderson of Northeastern just nipped him at the tape. Good was voted the most outstanding athlete of the meet because of his double victory in the low and high hurdles.

But no varsity performance eclipsed that of Hub Quinn in the anchor leg of the freshman medley relay. Dave Morse got a lead start on the first turn, handing the baton (at the second base in the mile) to Ferre Wilcomb in last position. Wilcomb held this place and then gained the lead on the field, moving up to fifth position. Quinn received the baton nearly forty yards behind and running out of breath back into the stretch he was in third place, fifteen yards behind the third Cox, a former student at Raymond of Bowdoin. Here he passed both men and finished with a national victory.

The meet went to Northeastern one-twelfth of a point. Maltese was second. Third competition was very close indeed, but not being decided until the last event was over.

Brown Cuts Defeat
Kitten Track Team

Swarts of Brown Places in Five Events to Aid Cub Victory

The New Hampshire fresh-man track team made their best showing in many years last Wednesday Brown Cubs last Thursday, but lost 771/2-48. Swarts return to Brown between them scored 35 points for them. For first in the high jump and second place in the shot put, and tied for third in the pole vault. Swarts won three events and took one second place. For New Hampshire, Captain Hub Quinn and Ray Henson each carried off a double victory. Quinn came from behind in his usual style to win the quarter mile and then came in second in the half-mile. Henson was pushed by Cashman in the 100 yards but had his own style in the way 229 again equalizing.

Freshman Lacrosse
Ties Tufts Frosh

Barker Stars As Freshmen
Put 4-4 in Overtime

Before the varsity game Saturday afternoon, the freshmen played the Tufts frosh in a fast and evenly matched game going into an overtime period which ended 4-4.

The New Hampshire freshmen outplayed the Tufts frosh since the first period the freshmen started off by scoring a goal immediately after the face off. The Kittens' fast offense men seemed to be able to run through theTufts defense at will, but they were unable to make their shots good. In the second period Tufts offense men finally worked the ball up and scored their first point. But Joe Jones again put New Hampshire in the lead when he made another goal.

In the second half both defenses tightened up and didn't allow many shots. Dick Farr, the Kitten's goalie, made some beautiful stops when any man did leak through the defense. Near the end of the fourth period a fast Tufts' offense man made a long score and scored the goal which tied the game, forcing the game into an overtime period. Forcing the game into an overtime period

The freshman record of 22 seconds

On Memorial Day the freshmen will meet the winners of the prep school class in the Intercollegiates, St. John's Prep., at Durham.
While the Swasey-men were nonchalantly knocking the cover off the apple, Mose Saliba, southpaw who turned in the recent decision over the Providence College Friars, was having his troubles with the State sluggers. He worked nicely for the first three frames, but in the fourth the visitors began to solve his portside screwball, and three hits and an error by Dynamite Landry resulted in two tallies to erase a single run lead gained by New Hampshire on a pair of State boots in the second canto. They continued the assault in the fifth after New Hampshire had gone into the lead at 3-2, but when the inning closed, the tally sheet had see-sawed back to the Mass. State side, 4-3. Mike Mirey's home run over the left field wall tied the score and was the opening shot in a four run rally which gave the home team a 7-4 advantage.

Crafty Hank Swasey decided that things had gone far enough with Saliba, and so Bill Weir toed the mound as the sixth started. Bill kept the situation under control for the rest of the battle, although two easy runs trickled across the platter in the ninth.

Chase's home run with the sacks crowded in the seventh left no doubt as to the outcome of the game, but the Felines added a few more for good measure in the eighth, principally on home runs by Lopate and Pederzani.

Doris Fowler, whose versatile acting ability has been apparent in many of Mask and Dagger's presentations, the latest of which was Hay Fever, was elected to the vice-presidency. Miss Fowler held the office of secretary to the society last year. She is a member of the Alpha Chi Omega sorority.

Succeeding Miss Fowler as secretary is Eleanor Huddleston, stage manager of this term's play, and a member of the cast in Quality Street. Miss Huddleston is also a member of Alpha Chi Omega.

Ludlow Dancause, editor of the 1937 Granite and former assistant treasurer to Mask and Dagger, was elected treasurer of the organization. He is a member of the Theta Kappa Phi fraternity. Other officers elected at the meeting were Henry Roberts, technician; Max Kostick, musical director; Nicholas Cricenti, manager; William Locke, electrician; Gloria Marcy, property manager; and Walter Emery, scenic director.

For Thursday, May 30, Memorial Day, the Outing club will run one of its most extensive trips of the term. Part of the group will leave Durham on Wednesday noon or forenoon, and the remainder will start after the drill. The destination is as yet undecided. Last year the club held the I. O. C. A. ski week-end at Parker's cabin and spent Memorial Day there. There will be a notice in regard to the trip on the door of the Outing Club office, and those going are asked to sign up there.

The Boston Athletic Association will have a "hot-dog" roast at Mendum's Pond, May 29. Those attending will meet at Thompson Hall at five in the afternoon.
