HONOR TO NATIVE HERO

The R.O.T.C. parade and ceremonies which are to be held tomorrow will inaugurate a memorial service which has been long neglected. General Sullivan's achievements and the honors which he won during his lifetime certainly entitled him to our highest respect.

A prophet without honor is his own country. So it is with General Sullivan. He was a New Hampshire man, whose chief recipients of the Revolutionary War, and one of its outstanding generals. His services did not end with the war but continued in political and judicial fields to be a vital force in the shaping of the State of New Hampshire.

As with all Americans, most students at the University have never heard of General Sullivan, and perhaps they have heard of him in history classes. We are sure they are remiss.

The military department and staff of Black Widow, that native of the North, are to be congratulated for bringing this neglected but important figure to the UC community. General Sullivan's memory has suffered. It is to be hoped that this ceremony will become annual work.

OUTING CLUB
PLANS TRIPS

The Outing Club has planned two trips for this week. The first is for this Thursday night to Mendum's Pond, leaving Ballard Hall at 5:30 and spending the evening at the cabin. The price, covering the cost of food, will be ten cents. The group will include two Sr. members, two Sophomores and two Juniors.

The other trip was to Passaconaway Valley Sunday afternoon. The party will consist of twelve students, leaving Durham at 2 p.m. and returning at 6 p.m. The trip is in charge of Lawrence Witcher.

The past week-end the Outing Club was busy with three trips. The first was held at Mendum's Pond last Thursday night, attended by eighteen people. The second was held Saturday at 2 o'clock in Tuckerman's Ravine on Mt. Washington to take advantage of spring skiing. The cost will be one dollar and each skier will bring his own lunch. The trip is in charge of Lawrence Witcher.

The third trip was to Passaconaway Valley leaving Durham at 1:30 on Saturday and returning at 6:30 Sunday evening. Miss Barbara Clough chaperoned the group which consisted of the following: Paul Carrier, Christine Fernald, June Flanders, James Kierstead, Elizabeth McNamara, Clark Morse, George Senecal and Victor Tyson. On Sunday the party hiked to Sabot Day Falls.

Both trips were made more interesting than usual by amount of snow fall. The mountains presented a picturesque background with their white peaks, and the trails were covered with nearly two feet of snow, while the breaks had to be waded because of the swelling caused by spring freshets.

Alice Perkins of the class of '38 was elected secretary of the Outing Club at the meeting held last Monday night. The position was left vacant by the resignation of Jane Woodbury.

At the same meeting a committee was picked to consider the prospects for the construction of a new Outing Club cabin at Guilford, N. H. Frank Musgrove is chairman of the committee made up of Dick Dalland, representing the Alumni division of the club; John Cheney, Phil Townbridge, Robert Jones, and Harold Clarke.

University of North Carolina students, convinced that you have to know how to pull strings to get ahead in the world, or maybe thinking they will learn to be dictators, are enrolling in a course in puppetry.

Memorial
(continued from page one)
President of the New Hampshire State and its first United States District Court Judge, plans have been made to have this memorial service an annual affair. General Sullivan died on January 23, 1795, a month short of 55 years of age.
