The typical American attitude toward outdoor life is summed up in the philosophy that "nothing beats being outdoors" to the be by the amount of material wealth the person has accumulated. Americans are often convinced of the "if you're not an outdoorsman, you're a failure" school of thought—by what they mean by the outdoors has never been clearly defined. In some cases it may have been expanded by the saying, "if you're not an outdoorsman, you're a failure." But despite the seemingly perfection of the Lewis fields, they have no heed to the possibility of an approaching train. To the south the fields were laid out it was not the intention of the planners to have the crossing-overs in the same time. But despite the seemingly perfection of the Lewis fields, the athletic plow has one drawback. It is across the tracks. This drawback is there is nothing so other in the University proper to build to house a plant. As game-time approaches and the student body hurries to the track or to the diamond, hundreds of undergraduates climb the water tower hill, and swam down over the unpaved railroad beds. Many of them express the desire to sleep in the woods. But many of them cross the rails with no heed to the possibility of an approaching train. To the south the road is clear for many hundreds of yards, but to the north the track is blocked by a high bank of earth. The train, speeding on a swift schedule needs many yards to come to a stop. To the south the engineer has to bring his charge to a halt when some unthinking student crosses the tracks. But these drawbacks are a necessity, there being no other place in the town of the towns, the shoe factory district. . . They do their job not as bad as his pal "Bushy Eyes" . . . VARiTY LACROSSE TEAM PLAYs BROWN HERE ON SATURDAY

The varsity lacrosse team goes after its fourth victory of the season to-morrow afternoon at the expense of the Brown University team. Recovered from the exhaustion of last week which took them to Williamstown, Mass., and back again, the Wildcats are all set to take the measure of the Brownies before a large-week-end crowd.

The team has scrimmageed among themselves this week, as well as engaging the freshmen, and Coach Al Michelson is satisfied that it will tip-up with a win.

Charley Keachman, captain and strolling attack man, may not start due to an injury received last week. Noah Levine, the Ward varsity attack man, who expects the only other change will be Sam Levine in the goal position.

Last year the Wildcats swamped the Brownies with their 16-0 victory, just this year Brown has already defeated M. I. T. and just to the Brown Rock Laceback club.

They have also been defeated by Harvard.

They have also seventeen from last year's team and are strong in veteran material. Their starting line-up will probably be A. Adams, point; Swerny, cover point, Royce, 1st defense, Dono- van; 2nd defense, Harrison, center; Fisher or Swiffield; 2nd attack, Eck- kerson; 1st attack, Hammad, in hand; Cap- tain, Paul Muni, center; Harold Chretien, goalie.

New Hampshire's lineup will be g. S. Levine; point, Dublin; cover point, Conrad; 1st defense, Matthews; 2nd de- fense, Waltom, guard; Fred Lapeza, guard; Ballon, 1st attack, Levine, in hand; Hammad, out of hand, center.

The frosh track team continued its splendid record which was begun on May 1 by vanquishing Exeter. The frosh aced the first time in the history of froshmen track to capture the victory in the recent tryouts for the representatives of New Hampshire prepara- tory school on Wednesday afternoon on Lewis field by the score of 85 to 41. Sweeping the 440 yard run, the mile run, the 100 yard dash, the javelin, the hammer, the pole vault, the shot put, the javelin throw, the frosh tracksters easily dominated the meet in all other events.

Outstanding performances were made by Dick Nelson, fresh hammer thrower, who recorded a distance of 152 feet, five inches in the event; Phil Johnson, freshman400 yard run, finished first in the 100 and 220; Frank Ford, who placed second in the 100, first in the 440, and first in the broad jump; Red Ohi, who took the 800 and placed second in the 440 and Broad jump, and Henry Hall, who starred in the field events by taking the first in the pole vault and high jump and third in the broad jump.

Turning down Exeter for the first time in the history of freshman baseball, the frosh nine won a hard fought battle, led his teammates to a decisive victory in the recent tryout game for the starting nine list Wednesday afternoon.

Both teams played erratic baseball. Although the Exeter nine should have had 3-0. Exeter was penalized in their half of the first by capitalizing on two errors at short, but the Wildkitten came back in the second to score two runs as a result of an error and a wild throw.

Jack Hewett, with a single and a dou- ble, led the latching attack of six hits. MacDonald and Lankaliski both had bad days in field, but their few misses are no indication of their past or future per- formances according to Coach Land- sborg.

At a meeting of Casques and Casket held last Wednesday evening, George Storzel resigned as president of the inter- fraternity social body and James Conrad, also a junior, was elected in his place. The business meeting was devoted to a discussion of fraternity rating rules newly established, and it was decided that the meeting next Wednesday would be a joint meeting of the fraternity faculty advisors and Casques and Casket. At this meeting it will be taken up any proposed changes, and the rushing poli- cies for next year will be adopted.

Last Saturday, Casques sponsored a banquet, which was attended by the members of the first places, I don't think we have a balanced team to build up a very large score.
