STUDENT COUNCIL MEMBERS INSTALLED INTO OFFICE AT CONVO

Nomination of Athletic Association Officers are Named at Annual Meeting

The formal installation of George Stenzel as president of the Student Council climaxed yesterday afternoon's convocation activities which saw Herbert Merrill and K. Robert Manchester retire as student presidents, the announcement of Athletic Association officers' nominations, and the induction into office of thirteen council members.

A. A. Meeting Held

The annual meeting of the Athletic Association occupied the convocation at first. The first part of the meeting was devoted to nominating new officers for the Athletic Association. It was presided over by Herbert Merrill, president. The nominating committee submitted a list of names which they had nominated and only one addition was made to the list. The nominees were as follows: president, George Quinn, James Conrad, Arthur Hanson; vice-president, Robert Jones, Thomas Giarla; secretary, Myrtle Congdon, Lois Cudhea; student representative, John DuRie, Edward Little; faculty representatives, Mr. Harold I. Leavitt, Dr. Carl L. Martin, assistant professor Leroy J. Higgins, assistant professor Donald H. Chapman. These men will be voted upon soon by the student body.

Following the meeting of the Athletic Association, K. Robert Manchester, retiring president of the Student Council, presented the new Council for the 1937-38 school year. Before doing so, however, he expressed his gratitude to the student body for the support they had given him during his term of office. He said, "I want to tell you how much I

MOTHER'S DAY PLANS INCLUDE PAGEANT, CAMPUS INSPECTION

R.O.T.C. Regimental Saturday Morning Will Also Feature Program

The annual Mother's Day will be held Saturday, May 22, with many mothers visiting the campus. The University has arranged a program showing the visitors the different aspects of the life on the campus, and to acquaint them with the faculty and other students.

The program will begin at 9:00 with three tours of the University, leaving at different times from the Faculty club. Each tour will dedicate most of the time to one special college, but will also take in the other two briefly. The visitors may go to see the college in which they have the most interest, and also see the rest of the University. All classes will be open to visitors, and a member of the faculty will be in every department to explain the work.

Mothers Review Parade

At 11:10, the mothers will review the regimental parade of the University's R.O.T.C. unit, and then go to the men's gymnasium to meet members of the faculty. At the gymnasium, President Fred Engelhardt will address the mothers, and, following that at 12:30, the mothers with their sons and daughters will have luncheon at the Commons. The meal will be served in the main floor dining room, and it has been arranged so that the students may eat with their mothers. Tickets may be obtained when registering at the Faculty club.

At two o'clock, the annual May Day Pageant will be presented for the visitors at Memorial Field. The theme of the pageant is the part that New Hampshire played in the ratification of the U. S. Constitution. This is the beginning of the Sesquicentennial celebration of the founding of the document.

Students Vote On Blanket Tax System

The student body will be allowed to vote on the blanket tax as they did last year when this tax was first installed. Opportunity will be given for this on the same ballot as that for the Hood Achievement prize. This voting is taking place the end of the week.

Last year Frederick Collins Walker was the recipient of the Hood award.

DR. STOWE CHOSEN HEAD N.E. EDUCATORS

Dr. A. Monroe Stowe, head of the Department of Education since 1934, was elected president of the Association of New England College Teachers of Education at a meeting held May 8 at the University of Maine. Prof. Harlan M. Bisbee, assistant professor of education was elected secretary of the association.

Acceptance of the University of New Hampshire's invitation to hold the 1938 meeting of the Association on this campus was voted.

Before coming here as head of the Department of Education upon the death of Prof. Justin O. Wellman, Dr. Stowe headed the education department of Randolph-Macon Women's college in Virginia, 1926-34, and before that was President of the University of the City of Toledo. He started his teaching career as principal of the Darien school in Connecticut in 1906, having received M.A. degrees from Northwestern in 1904 and Harvard university in 1905. In 1909 he received his degree of Doctor of Philosophy from Columbia university.

Prof. Bisbee, who received his A. B. degree from Bowdoin college in 1898 and an M. A. degree in education from Harvard in 1905, has been associate professor of education at the University of New Hampshire since 1930. He served as assistant professor of education here from 1928 to 1930. He began his teaching career at the Rumford Falls (Maine) high school in 1898, and is the author of *Latin Without Tears*, an exposition of Latin teaching methods.

DR. RICHARDS ATTENDS HOLYOKE CENTENNIAL

Dr. Alfred E. Richards acted as the delegate of the University of New Hampshire at the centennial celebration of the founding of Mt. Holyoke college in South Hadley, Mass., on May 7 and 8.

The celebration opened May 7 at 7:30 o'clock in the morning with a student frolic and closed the following day at 9 o'clock in the evening with the dance recital entitled "Changing America". Music for the exercises—except that furnished by the college choir—was provided by Goldman's band.

Coincident with the tribute to the hundredth anniversary of the founding of the college was the tribute paid by Mt. Holyoke's students to their distinguished president, Mary E. Woolley, who is retiring from office after thirty-six years of service.

Fourteen events were staged for the occasion, including the historical pantomimes, "Mount Holyoke Opens", drama recital, "Changing America"; the pageant, "Serenade and Canoe Pageant". Dr. Richards said that he was particularly interested in the campus side of college life since his mother was a student there almost eighty years ago.

He heard many addresses by such distinguished women as Mary R. Beard, Margery Corgett Ashby, Virginia Crocheron Gildersleeve, and Amelia Henry Reinhard. Also twenty noted women were presented with honorary degrees. On the official program were the names of representatives from 250 institutions including Oxford university, University of Rome, Harvard, Doshisha university of Japan, and the University of South Africa.

Joe Haymes Dance Band Plays for Major Social Event of Spring Season

Christine Fernald was elected Junior Prom Queen by the student body last Wednesday morning and will be crowned by President Fred Engelhardt tonight in the gymnasium at the height of the major social event of the spring season. President Engelhardt will present Miss Fernald with a silver cup during the coronation ceremonies shortly before intermission.

Miss Fernald reigned as Winter Carnival Queen last year. She was recently installed as vice-president of the Women's Student Government executive council and is president of Cap and Gown, women's senior honorary society. She is also a member of Alpha Xi Delta sorority and of the Blue Circle. During the past year she has been engaged as women's editor of the *Granite*.

Joe Haymes and his dance band will furnish the music for the Junior Prom tonight. This orchestra is one of the most popular recording bands in the country, and in the past few years, Haymes has made hundreds of recordings for Columbia and Victor. He is now making a tour of the eastern colleges and has played recently at Norwich, Amherst, Massachusetts State, and Yale.

Honey Burns Featured

Joe Haymes features Honey Burns as vocalist. He has been heard over all the large networks and at several of New York's leading hotels and ballrooms. He has been exclusive arranger for Ted Weems, Casa Loma, and Duke Ellington. Several of the songs he has composed are: "The Life of the Party", "One Man Band", "Let's Have a Party", and "My Favorite Band."

The gymnasium will be decorated to represent a penthouse on top of a New York skyscraper. The decorating will be done by the New England Decorating Company of Boston.

President and Mrs. Fred Engelhardt, Mr. and Mrs. Edward Y. Blewett, and Mr. and Mrs. Carl Lundholm will be the chaperons.

Complete Week-end Arranged

The Prom committee has arranged a complete week-end of entertainment. Friday night there will be the Prom. Saturday afternoon there will be a float parade, sponsored by the Blue Key. The Prom Queen will present the winner of the parade with a cup. Following the parade, there will be a bicycle race on Memorial Field with the various classes competing. Then Saturday night there will be the various fraternity dances.

HOUSE GUESTS

Several hundred people will be the guests of the thirteen Greek Letter fraternities this week-end. A full week-end of activities has been planned including the Prom Friday evening, the Float parade, Saturday and the fraternity house dances Saturday evening. There are also several athletic contests on Friday and Saturday.

The house guests are as follows:

KEEP OFF

With spring and baseball and track here the athletic focus shifts to the new Lewis fields, the new diamond on Brackett field and the track around the football gridiron, not to mention the popular freshman diamond, now being used for intramural games. This great layout, judged to be one of the finest in the eastern United States, has a spot for everything. When the practice fields, the freshman diamond, the tennis courts are given the finishing touches, both Kitten and Wildcat spring teams, baseball, lacrosse, track and tennis, can be played at the same time. But despite the seemingly perfection of the Lewis fields, the athletic plant has one drawback. It is across the tracks.

This drawback is a necessity, there being no other place in the University proper to build such a plant. As game-time approaches, and the student body hurries to the track or to the diamond, hundreds of undergraduates climb the water tower hill, and swarm down over the unprotected railroad bed. Many of them look carefully for tearing express trains or sleepy freight. But many of them cross the rails with no heed to the possibility of an approaching train. To the south the road is clear for many hundreds of yards, but to the north the track is blocked by the over-pass. A through train, speeding on a swift schedule needs many yards to come to a stop. The distance is too short for the engineer to bring his charge to a halt when some unthinking person jumps out from behind the obstructing over-pass.

However, when the Lewis fields were laid out it was not the intention of the planners to have the cheering section and the players cross the tracks near the water tower. If this had been their idea some safety provision such as an over-walk would have been built. The intention of the designers was to have the cheering section and the players make use of the modern over-pass which is part of the road to Concord, or the under-pass near the heating plant. The expense of the over-pass and the upkeep of the under-pass would not have been allotted if the students were to reach the fields by crossing the bare tracks.

There is no fence to keep people off the bare tracks it is true. This argument has been forwarded by some few in favor of crossing the tracks. But it seems that it is not necessary to have a high fence to keep students of the University out of dangerous places.

For your own safety and protection, don't cross the bare tracks but take a minute or two more to avoid the dangers and walk around over the stone over-pass or under the cement under-pass. Haste makes waste and a stitch in time saves nine.

WELCOME

On behalf of the University, *The New Hampshire* wishes to heartily welcome all weekend guests.

PROF. MANTON

(Continued from page 1)

Thursday, May 20, at the Repertory hall. The Composers' Forum is arranging a program of selections from each of the eighteen contemporary composers whose works they have sponsored this past winter. The "New England Rhapsody" by Professor Manton was first played under its auspices.

Professor Manton will be represented by "How Sweet the Silent Backward Tracings" for mixed chorus, which will be sung by a double quartet from Boston. Professor Manton will accompany the singers in their presentation of his work.

The concert is a summary of the activities of the Composers' Forum during the winter, and there will be a great variety of music. The program includes instrumental choral music, chamber music by string quartets and trios, pianoforte and solo vocal selections. The performances of the music will be almost equally divided between the composers and the forum artists.

The Granite, announces Professor Arthur Johnson, is expected to come out the week of May 17. However, it may not be entirely distributed until the following week. It is probably going to be given out by classes, that is, a certain day will be arranged for each class to receive copies.

Outing Club

This week-end there is a joint trip with Colby college to Franconia. This trip is limited to ten men only, and starts from Ballard hall at 1:30 P. M., Saturday.

THE LISTENING POST

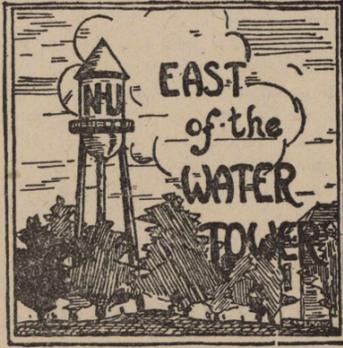

by Donald Mendelson

The typical American attitude toward determining the success of an individual seems to be by the amount of material wealth the person has been successful in garnering. This attitude is also exposed by the saying, "if you are so darned clever, why aren't your rich?" The Europeans have always held a certain amount of contempt for the practical materialistic American who was always too seemingly involved with business to appreciate the finer and more cultural things of life. To a certain extent Americans have always been proud of their efficient methods of production, sales distribution, and transportation. Likewise Americans feel that their inventive minds have done considerable toward bringing about a better standard of living with all its comforts and conveniences.

There is no doubt that material wealth is a tremendous factor in opening the portals to an enjoyment of leisure time. However, mere riches do not necessarily bring about an appreciation of true culture in various fields. Since the depression, Americans have had a rude awakening. They are gradually realizing, that without riches, their lives were somewhat drab and dreary. Likewise, there was

an opportunity, due to enforced leisure time to better their lives in a more fertile manner. People began to wonder what had caused their downfall. As a result individuals began to read books concerning their economic welfare. Dictatorships forced people to follow the trends of political philosophy in order to be in a position to know in what way their lives might be affected.

Federal sponsored programs dealing with drama, music, and lectures in general, offered free of charge, have enabled the masses to absorb some appreciation of art and culture. This introduction has paved the way for the continual broadening of culture. Education has been subsidized to a great extent by the government. This has the effect of making available higher forms of education to people financially incapable of continuing their schooling. The Federal Government as well as the State Governments has done much to further true culture among the people by enacting social legislation. This has the effect of creating more leisure time for the masses. It is only in leisure time that people have an opportunity to absorb culture. Why have culture? Because culture offers the individual a happier, better balanced, and richer life.

Welcome youse lucky gals that have been imported to this fair hamlet but beware of the evils that lurk in the dark . . . such as some Mountain? And, my fine friend "Shirley", this is a little warning to keep out of the little club over the shoe factory district . . . They said to write some news in this column but to say that Bob Cullis not only sees the fair Chi O beauty at night but morning, and noon, as well, would not be an awful lot . . . "Brother Zais" will leave for the town of the towns, the great white way, accompanied by his pals, Mr. Gruber and "Cueball" Norton who decided that it is about time to go looking for a job . . . "Brother" Quadros, or pardon me Mr. Bragg, will have his fair Ruthie from the fishing ports here, and take it from us Ruth, he is not as bad as his pal "Bushy Eyes" Shea . . . They say that survival of the fittest is the definition for pitching . . . Wonder just how we will reward "what a man" Kirby . . . Remember Joe, turn-down after turndown can't whip the pitchers imbued with courage. Persistence is the key to a successful worker . . . "once in the show business they all come back" thus "see my part Whyte" will take an added part in the production of the little innocents that are engaged in the production of "Liliom" . . . Was that take in of "Romeo and Juliet" part of the show, Dick? . . . Now that the baseball players are going on their journey what will the poor forlorns do without them? . . . We wonder if "Bull" Martin has made up his mind yet? . . . Tis too bad that some of the columnists write about a band being tough . . . Did you, my dear sirs, ever hear Joe Haymes? . . . We will bet that all the tea in China that they will do as good a job as any that they have ever had here . . . (There have been some real good bands here, too) . . . The feud is on and "Prexie" Glynn and "Swing" Scotty Roberts are fighting about whose orchids are the best . . . Wonder how many Wyman will have ordered this time? . . . Best of luck, Lou, on your participation in the Intercollegiaets in golf and we are sure that you will come out on top . . . "Goon" Carrier of the Wildcat has at last realized his hope and little "Hazy" of Providence, the original sweetheart of the "Goon", will do him honors . . . Coyne and Toolin of the Alumni section have been doing us honors with their delightful presence on campus . . . If there is anything you want to buy just help out these poor lads . . . Ah fate, how cruel you will be when I leave this Univer-

sity . . . Brother Battin cannot miss our column either, so we are putting his name in print . . . At last DesGarrennes, has succeeded and he and Miss Freeman of the Salem Freemans are seen together . . . "Al" Miller has at last got married on us and besides wishing him the best of luck we are wondering just how J. C. Conroy and Howie Hanley fitted into the list of guests . . . Perhaps it was for protection . . . We still wonder? . . . "Stoneball" Manchester has at last succeeded in taking "Punchy" Morrill's girl away . . . That isn't so bad, but Stoneball what are you doing using your car to go with it? . . . "Hard Bargain" Hanlon must be just another relation to "Swing Bug" Goodman as Jack's song is now "No matter where you are I'll follow you" . . . Careful Jack, we notice the resemblance now . . . Someone should buy a new library for the girls alone . . . Did any of youse kids ever go to the library. Well, if you did you will hear nothing but the latest news on campus . . . Just a jabber jabber . . . K. R. Meeker has went and bought himself a boat so he and Betty and Rowe a long ways . . . If you didn't like this, well, we're sorry Bud . . . Old Revelation has taken the part of many a fellow's delight and at least three cars an evening visit him . . . J. M. does the officiating . . . Sorry the initials are the best that we can do . . . "Pan Dandy" Bergie and the scion of Rochesters one and only Dupont will do the light fanatics at the Prom . . . Pardon the smell that is permeating but that is only Handschumake trying to get into this column . . . "Gizzy" Mathews will bring up the gal from Troy for tonight . . . Is her name Helen, Bill, or "White Horse"? "Marco Polo" Hennessey of the three star fame will visit old "Adventure" — no doubt that "Press" Nellson will do the officiating . . . You can bet you're boots that if anyone got the dough it is a good bet . . . Joe Jones of the Shell company has started out with a low one . . . we're telling you Joe, that it will take more than one gallon of gas to run that new crate of yours . . . Tonight Smoky will make his debut without "Cav" and "Dis" . . . watch for the gal—we hear that she is nice . . . And so my friends, have a good time and if that date is settled, we'll see you there . . . Sorry, but we will have some good news for you the next time we write this, if we ever do . . . "Have no fear, Belson's here".

(Continued from page 1)

appreciate the support that you have given the council throughout the past year. With the new president of the University, and the new president that you have elected to the Student Council, the Council will be able to proceed to strengthen its position on campus. You have done a good job in choosing your council for next year."

Council Members Presented

Following this short address he presented the members of the Council to the student body. They were: John Hanlon, vice-president of the sophomore class; Arthur Little, vice-president of the junior class; Albion Warren, editor of *The New Hampshire*; Louis Rossi, representing the nonfraternity men; Dexter Pedrick, representing Casque and Casket; Richard Nellson, sophomore representative; Edwin Preble, junior representative and recording secretary; Joseph Tinker, junior representative and corresponding secretary; Paul Horne, junior representative and treasurer; Alfred Montrone, senior representative; James Conrad, senior representative; Edward Little, senior representative and vice-president; and George Stenzel, senior representative and president.

After being presented, Stenzel gave a short address to the student body. He said, "I will fill my assignment to the best of my ability. Since you have elected such an excellent group of men to assist me, you may expect much of this council. But before you expect anything at all from this council, I would like to mention this—and that is, that there has to be a much greater degree of cooperation between the student body and the Student Council in regard to proposals originating within the Council before any changes can be noticeable. I don't want to make any rash predictions as to what this Council is or is not going to do, but whatever it undertakes to do will be done with the understanding that the student body will try to cooperate to a greater degree than they have in the past."

Later, Stenzel made his first plans for cooperation between the student body and the Student Council. He said that any student who had anything he wished the Council to do might submit his request to any member of the Student Council and the matter would be given the utmost consideration by the Council.

VARSIY LACROSSE TEAM PLAYS BROWN HERE ON SATURDAY

The varsity lacrosse team goes after their fourth victory of the season tomorrow afternoon at the expense of the Brown Bear on Memorial Field.

Recovered from the exhaustive trip of last week which took them to Williams and Springfield on successive days, the Wildcats are all set to take the measure of the Bruins before a large week-end crowd.

The team has scrimmaged among themselves this week, as well as engaging the freshmen, and Coach Al Mitchener is satisfied that the team will be in tip-top shape.

Charlie Karazia, captain and stellar attack man, may not start due to an injury received last week. Noah Levine will no doubt start in his place. The only other change will be Sam Levine in the goal in place of Jim Ross.

Last year the Wildcats swamped the Brown team by the score of 9-2. This year Brown has already defeated M. I. T. and lost to the Boston Lacrosse club. They have also been defeated by Harvard.

They have twelve lettermen from last year's team and are strong in veteran material. Their starting line-up will probably be: g, Adams; point, Sweeney; cover point, Boyce; 1st defense, Donovan; 2nd defense, Harrison; center, Fisher or Swaffield; 2nd attack, Erkinen; 1st attack, Hutton; in home, Captain San Filippo; out home, Ambrette.

New Hampshire's lineup will be: g, S. Levine; point, DuRie; cover point, Conrad; 1st defense, Matthews; 2nd defense, Smart; center, Preble; 2nd attack, Ballou; 1st attack, N. Levine; in home, Hazzard; out home, Manchester.

CHERTOK CAPTAINS 1937 VARSITY TRACK

Edwin I. Chertok was elected yesterday afternoon to captain the varsity track team for the remainder of the season, Coach Paul Sweet disclosed after a close election.

Chertok, now a senior, has been very prominent in track activities having participated in freshman relay and track, varsity cross country and varsity relay for three years, and varsity track for three years, this being his third season. Chertok won his athletic award every year in these sports.

Ed Chertok is a member of Phi Alpha fraternity, of which organization he has been treasurer for two years.

Chertok received his training in Laconia high school where he holds unequalled track records.

CATHOLIC SOCIETY ELECTS OFFICERS

At a recent meeting of the Newman club, campus Catholic society, at the Commons Trophy room, the following officers were elected: president, Alfred Trabucco; vice-president, Gertrude Hayes; secretary, Betty Riley; treasurer, George McCaffrey.

The speaker of the evening was Joseph R. Pine, assistant headmaster at Lowell high school, who spoke on the subject, "A Glance Into the Future."

Dancing and a social hour followed the business meeting.

Wildcats Enter Maine Triangular Meet

FROSH TRACKSTERS SUBDUE NEW HAMPTON

The freshmen track team continued its splendid record which was begun on May 1 by vanquishing Exeter for the first time in the history of freshmen track by convincingly overwhelming the track representatives of New Hampton preparatory school on Wednesday afternoon on Lewis field by the score of 85 to 41.

Sweeping the 440 yard run, the mile run and the hammer throw, the Wildkitten tracksters easily dominated the meet in all other events.

Outstanding performances were made by Dick Nelson, frosh hammer thrower, who set a new freshmen record of 162 feet, five inches in the event; Phil Johnston, freshmen sprinter, who placed first in the 100 and 220; Frank Wright, who placed second in the 100, first in the 440, and first in the broad jump; Red Otis, who took the 880 and placed second in the 440; and Burt Mitchell, who starred in the field events by taking first in the pole vault and high jump and third in the broad jump.

New Hampton managed to take three firsts; in the high hurdles, the shot put, and the javelin.

Summary:
100 Yard Dash—P. Johnston (freshman), Wright (freshman), Mather (New Hampton). Time—10.6s.
220 Yard Dash—P. Johnston (F), Mather (N H), Chretien (F). Time—24.6s.
440 Yard Dash—Wright (F), Otis (F), Carlson (F). Time—56.8s.
880 Yard Run—Otis (F), Carlson (F), Maxeld (NH). Time—29.8s.
One Mile Run—Slater (F), McCaffrey (F), Mott (F). Time—1:59.6.
120 Yard High Hurdles—Summers (NH), F. Ayer (F). Time—16.8s.
220 Yard Low Hurdles—Franklin Ayer (F), Summers (NH), Francis Ayer (F). Time—27.8s.
Shot Put—Johnson (NH), Marsh (F), Mathewson (NH). 42 feet, 5 1-2 inches.
Javelin—Edward (NH), Mathewson (NH), Isherwood (NH). Distance 140 feet.
High Jump—Mitchel (F), tie for second between Higgins (F) and Mason (NH). Distance—5 feet, 3 1-2 inches.
Discus Throw—Rollins (F), Johnson (NH), Lapeza (F). Distance—105 feet, 1-2in.
Broad Jump—Wright (F), Mather (NH), Mitchell (F). Distance—20 feet, 9 in.
Hammer Throw—Nelson (F), Fletcher (F), Kew (F). Distance 162 feet, 5 inches.

VARSIY BASEBALL TEAM LEAVES FOR WEEK-END CONTESTS

Accompanied by only thirteen players, Coach Henry Swasey left this morning with his varsity baseball team bound for points south and games with Connecticut State and Rhode Island State today and tomorrow.

Bob Kershaw, mainstay of the varsity, has been slated to pitch the Connecticut game, while Bull Martin and Norm Nathanson will be on hand to hurl the game Saturday. Bill Robbins and Fritz Rosinski will probably alternate behind the bat.

Coach Swasey's worst trouble at present is his infield. It is probable that Tommy Giarla will not be able to make the trip, and his absence leaves a big hole in the infield. Bill Carey, promising sophomore, is scheduled to start at first base, and Arnie Rogean, first baseman two years ago, will be ready for replacement duty.

Pete Murphy will hold down second base, Les Flanzbaum will be in short stop, and Johnny Decker on third base, to fill in the rest of the infield.

The usual outfield composed of Mike Mirey, Joe Nathanson and Charlie Cotton, will take their reguar positions.

After the Rhode Island game Saturday afternoon, the team will come back to Durham, stay over night, and then leave Sunday for Orono, Maine for the game with the Bears Monday.

Modern girls wouldn't be heart-broken if they never married because they have enough resources within themselves to make a successful, well-rounded life, says Dr. Jean Mendenhall of Boston University's college of physical education.

FROSH BALL TOSSERS DEFEAT EXETER NINE

Turning down Exeter for the first time in the history of freshman baseball, Buck Jordan, pitching masterful, two-hit ball, led his teammates to a decisive 7-1 victory over the academy boys on their field last Wednesday afternoon.

Both teams played erratic baseball. According to earned runs the final score should have read 3-0.

Exeter started the scoring in their half of the first by capitalizing on two errors at short, but the Wildkittens came back in the second to score two runs as a result of an error and a wild throw.

Jack Hersey, with a single and a double, led the batting attack of six hits.

MacDonald and Lankalis both had bad days in field, but their few misplays are no indication of their past or future performances according to Coach Lundholm.

Saturday, the freshmen journey to Portsmouth to play Portsmouth high school. Johnny Maxwell, Portsmouth's starting pitcher, is reputed to be one of the best high school box artists in New Hampshire. Al Roper will start this game for the frosh.

Monday the freshmen tackle New Hampton on the home grounds. New Hampton has had a successful season so far, having defeated among others Bridgton and Brewster academies, trimming the latter 23-2.

Score by innings: R H E
New Hamp. 0 2 2 0 0 1 0 0 2—7 6 6
Exeter 1 0 0 0 0 0 0 0—1 2 3

CASQUE AND CASKET ELECTS PRESIDENT

At a meeting of Casque and Casket held last Wednesday evening, George Stenzel resigned as president of the interfraternity relations board.

Dexter Pedrick, a junior, and a member of Phi Mu Delta fraternity was elected president of the board; and James Conrad, also a junior, and a member named as vice-president.

The business meeting was devoted to a discussion of fraternity rushing rules for next year and it was decided that the meeting next Wednesday would be a joint meeting of the fraternity faculty advisors, and Casque and Casket. At this meeting, a vote will be taken on any proposed changes, and the rushing policies for next year will be adopted.

Last night, Casque and Casket sponsored a banquet, which was attended by Dr. Engelhardt and the presidents of the thirteen fraternities on campus.

STUDENT GOLFERS TO ATTEND TOURNEY

A group of four from the University of New Hampshire are leaving Durham Thursday for Watertown, Mass., to play in the New England Intercollegiate Golf Championship at the Oakley Country Club on Friday and Saturday, May 14th and 15th. The players are Louis Wyman, Richard Mannion, Jeremy Morrison and Fred Chabot. The tournament is a two-day affair with an eighteen hole qualifying round on Friday and a thirty-six medal play on Saturday for the championship. Holy Cross won the team title last year and Willie Turnesa the individual title.

This marks the first year that the University has shown an active interest in golf, it being necessary to join the Intercollegiate Golf Association in order to send participants. Jeremy Morrison is a former caddie champion at the Lakeville Country Club in Long Island and Wyman is a former State Junior Champion of New Hampshire.

Coach Sweet Looks to Hard Competition With Maine and Bates Performers

Coach Paul Sweet leads to Portland, Maine tomorrow afternoon his track squad into their second triangular track meet in eight days when his charges will strive against the forces of two formidable track teams in the state of Maine—namely, the University of Maine and Bates.

The Wildcat tracksters are expecting hard competition in every event. Coach Sweet said, "We are up against a finely balanced team in Maine and a Bates squad which has an almost sure grip on their share of the points in the weight events."

In the meet held last Saturday to determine the Maine track champion, the University of Maine was first, Bowdoin second, Bates third and Colby last.

Huck Quinn, conqueror of the highly touted Gill of Boston College in the recent B.C.-Northeastern meet, will be entered in the 440 and 880 yard distances, Quinn's hardest opponent will probably be Hurwitz of Maine who dashed through the quarter mile distance last Saturday in 50 seconds. Quinn's time against Gill was 49.6.

Jack Downes looks due for a place in the 880, while Sweet is also banking on a place in the 100 and 220.

Chertok is expected to place in the mile, while in the two mile distance, Karl Craigin, Reigh Mason and Art Bishop are due to snare a couple of places.

In the high jump, Bates has two jumpers who scale the bar over six feet. In the pole vault, Hardiness and Leonard of Maine have done over twelve feet. In Bell, Maine has last year's New England javelin champion.

Don Twyon may have a chance to cop in the shot put, but Chip Long, New Hampshire's best hammer thrower, will be up against Anton Kishon, famed Bates hammer thrower who was intercollegiate champion last year.

Regarding the outcome, Paul Sweet said, "While we may take a good share of the first places, I don't think we have a fully balanced team to build up a very large score."

New Hampshire participants are:
120 High Hurdles—Evans, Small, Pokigo, Teeri.

100 Yard Dash—Whitcomb, Tabb, Link, Lekesky and Swett.

One Mile—Chertok, Mason, Heald.

440 Yard Run—Quinn, Downs, Whitcomb, and Abbott.

Two-mile Run—Craigin, Bishop and Mason.

220 Yard Low Hurdles—Evans, Small, Pokigo, Teeri.

880 Yard Run—Quinn, Downs, Chertok, Williams.

220 Yard Run—Lekesky, Tabb, Whitcomb, Abbott, Morrill.

High Jump—Evans, Kimball and Boy.

Broad Jump—Link, Boy, Hart and Evans.

Pole Vault—Witter, Wilson and Morrill.

Shot Put—Twyon, Ficksman, and Long.

Discus—Twyon, Ficksman, Long and Burnett.

Hammer—Burnett and Long.

Javelin—Kimball, Swenson, Currier, Frank and Evans.

DARTMOUTH GAME POSTPONED

As a result of a recent shake-up in the freshman lacrosse schedule, the Dartmouth freshman game, originally scheduled for today, will be played here on May 22, on Mother's Day, and the Phillips Exeter game has been shifted to May 19, Wednesday.

UNIVERSITY PLANS BILLY WEIR DAY

Plans are being made by a committee of students, faculty and townspeople to honor Billy Weir on Sunday, June 6, at the National League field, as the first major league baseball player to graduate from the University.

The committee contemplates having as many University representatives and townspeople as are interested to attend the game to be played that day between the Boston Bees and the Chicago Cubs, at which time Bill will be presented with a gift suitable of the occasion. Arrangements are being made to have Bill pitch the game that day.

On Monday, Tuesday, and Wednesday of next week opportunity will be given to all interested to make a small contribution toward the purchase of a gift. The committee is particularly interested in having a large number of contributions of small sums rather than a limited number of contributions of larger sums.

Arrangements will be made to reserve seats for all interested in attending the games.

FOR FLOODED AREAS

DURING the January floods, Western Electric—Service Of Supply to the Bell System—once again set in motion its machinery for meeting disasters.

From its three factories and many distributing points, it rushed telephone materials of every kind into the flood stricken areas. Day and night, telephone men and women worked to maintain and restore communication.

Dramatic as is this emergency Service Of Supply, it is really no more important than Western Electric's everyday work. For 55 years, it has backed up the Bell System with an endless flow of quality equipment. A major factor in making your telephone so far reaching, so dependable!

Why not give the family a ring tonight? Rates to most points are lowest after 7 P. M. and all day Sunday.
