WHAT MAKES YOU A CHANGEMAKER?

Open to youth aged 12-18

Telling your story is a powerful tool to enact change. In this learning series you will connect with friends from around the state to become a story-teller. You will use a variety of media messaging tools to tell your story about an issue you are passionate about.

New Futures is a nonpartisan, nonprofit organization that advocates, educates and collaborates to improve the health and wellness of all NH residents through policy change.

Media Power Youth provides young people, parents, and educators with training and workshops to build media literacy knowledge and critical-thinking skills to navigate our media rich world.

4-H will be visiting the NH State House on April 27th, by joining us you will be prepared to engage, learn, and share!

Registration is required on 4honline

*Attendance for both Media Power Youth Sessions is mandatory
