

## **Resiliency Academy 2022 SAVE THE DATE(S)**

This is a three-session academy that includes an intro webinar, a SBDC-led small business resiliency plan virtual training and an in-person tour of NH communities highlighting small businesses and community leaders practicing the many aspects of resilience. The Academy is free and designed for businesses, community leaders and volunteers, economic development professionals, entrepreneurs, nonprofit organizations, and anyone interested in small business and community resilience.

**Registration to open by April 1, 2022. Check back here: [SBDC](#) and [Extension](#).**

### **Session 1 Webinar Virtual via Zoom**

#### **Introduction to Small Business and Community Resiliency Webinar**

May 25, 2022, 9:00am – 11:00am

Content and speakers to feature essential components for small business and community resilience such as the importance of networks, innovation, adaptation, inclusion, and the link with quality of life in NH.

### **Session 2 Regional Training Meeting for Businesses Virtual via Zoom**

#### **Trainings for small business resilience plan development in the Central, Southern and Seacoast regions**

June 1, 2022, 9:00am – 11:00am

The NH SBDC Regional Directors will introduce small business resiliency planning using SBDC Resiliency Workbook. New Hampshire small businesses will share their experience developing and using a resiliency plan.

### **Session 3 Walking Tour of NH Communities Practicing Resilience**

June 14 | June 16 | June 23 In-person Walking Tours 9:00-11:00am Celebrate resiliency in our communities with a visit to a local downtown.

Select a local community walking tour to hear and see how local leaders and volunteers are addressing resiliency in their community. Visit small businesses practicing innovation, hear from organizations working to strengthen networks and see the initiatives at creating more inclusive communities – all key to resilience.
