## NH 4-H Qualifying and entry for ESE for Beef

Must complete the ESE entry process including signature forms on/before the deadline for up to 3 animals (heifers, steers or a combination thereof) and must be shown and judged at the member's county fair in the appropriate Fitting and Showmanship and Market or Breed type class. If the member's county fair is too late in the season, must show in another county fair. Animals and 4-H members will be observed at shows by 4-H staff and key Beef project leaders, including the NH representatives to the Big E Beef committee. Those members who are not properly prepared will not be allowed to exhibit their animal(s) at the Big E, however, may apply to be a Junior Leader.

Each youth must keep complete and accurate records on each animal and must present them for review at the ESE mandatory NH 4-H beef team meetings (usually held in April at Beef Field Day, July location TBD and August at Cornish Fair) and at the Big E. Required records forms may be found on the Big E 4-H packets website: <https://www.thebige.com/p/competitions/4-h/packets>

In order to be well prepared for the Big E, members are encouraged to show and/or attend the Fryeburg Youth Show in April and the Big East in May as well as any workshops, events, and Beef Field Day related to the Beef project. Since there are many more contests than just showing Beef cattle at Big E, it is encouraged for the youth to be well rounded in the beef project so they may succeed in all contests and not just the cattle show.

Two youth, age 12-18 (as of January 1) is eligible to attend Eastern States Exposition as a Junior Leader. Exhibitors who are not competing with an animal or are not able to bring their animal can apply to be a Junior Leader. Please contact the State 4-H office, your County 4-H office or your 4-H leader for information.
