The fair, which is sponsored by the Whittemore School Office of Placement, will be held from 10 a.m. to 2 p.m. in the Huddleston Hall Main Ballroom, 70 Main St.

The career fair offers employers an opportunity to meet Whittemore School graduate students interested in advancing their careers through post-graduation employment, leadership programs and internships. Approximately 125 accounting, business and economics students are expected to attend in addition to alumni of the Whittemore School seeking career advancement.

Graduate students at the Whittemore School concentrate their studies in accounting, business administration, economics, entrepreneurial venture creation, finance and marketing/supply chain management.
