March 24, 2005

---

DURHAM, N.H.— The University of New Hampshire's University Advising and Career Center (UACC) is seeking employers to participate in a career and internship fair April 14, 2005 from 11-3 p.m. at the Memorial Union Building on the Durham campus.

The fair offers employers an opportunity to meet students interested in advancing their careers through post-graduation employment, leadership programs and internships. Approximately 500 students from all areas of study are expected to attend the last career fair of the academic year.

Many of the students attend a resume workshop or practice interview session prior to the event to prepare for the fair and they often have previous career experience to offer.

Employers interested in recruiting UNH students at the fair are invited to contact Bethany Cooper, UACC manager of employer relations and recruiting, at 862-2029 or send an email to [Bethany.Cooper@unh.edu](mailto:Bethany.Cooper@unh.edu) for more information. Lunch and free parking are provided to participating employers.
