Cars may park in the lot on the side of the building near the Extension office.
Trailers may park in the back of the building by the barns.
NOTE: Do not park in the Nursing Home parking lot.

Join us for the Jingle Bell Parade!

We will meet behind the Administration building at the Grafton County Complex to line up, then parade around the Grafton County Nursing Home, celebrating with the residents as we go. We plan to circle around the building and end at the Raymond Burton Park (beside the parking lot), where we will enjoy some refreshments together.

4-H youth, leaders, adults, and siblings are encouraged to participate and may bring holiday props and/or posters with messages for our residents to see. In addition, youth may bring one of their 4-H project animals (or one team of working steers) if they choose. **Festive attire is required.** Please note, dogs and fowl are not allowed.

Additional information to note:
- We hope to be able to provide jingle bells to all participants so they can join in celebration with our residents, who will also have bells to ring.
- If you are bringing animals, please prepare them to be around the jingle bell noise.
- Bring supplies with you to clean up after your animal.
- In case of any changes, registered participants will be contacted via e-mail.

Questions and/or accommodation requests can be submitted to:
