Are you interested in helping build a culture of health in your community?
The UNH Extension Master Wellness Volunteer Program provides learning sessions and volunteer service opportunities focused on creating change for health.

Core Training
February 21 to March 28, 2023
Six general training sessions held on Zoom, Tuesday evenings, 6-7:15 p.m. with additional independent learning requirements.

Adult Vaccine Education Pathway
March- April
Volunteers will receive training focused on adult vaccinations, including Covid-19. The training will provide access to a toolkit with resources and information to help community members make well-informed decisions.

Topics will include:
• Vaccine and vaccination basics
• History of Vaccines
• Strategies for talking about vaccination and Vaccine Hesitancy.
• Vaccination and specific diseases

Create Community Change & Become a Health Champion

Master Wellness Volunteers
Adult Vaccine Education

Apply Online
www.extension.unh.edu/health-well-being/master-wellness-volunteers

Adults who want to volunteer in N.H. are invited to apply. Volunteers will undergo standard background screening before admission.
