

College Chest

College Chest Drive

In very short order — probably before that next check is forthcoming from home or Uncle Sam — someone is going to be knocking at your door or accosting you under "T" Hall arch hoping for a handout. Of course such a situation is far from unusual. In fact, it is such a common occurrence in this money-mad world of ours that many of us are more or less immune to it. That's the reason for this editorial — this is a case where immunity is a very unfortunate state to be in. This time the collection is for the College Chest Drive which is conducted each fall, and whose funds are distributed among many worthy causes.

Obviously the average college student is not made of money and cannot afford to give to many separate organizations. And if he did give to them, the small amount he could offer would have no appreciable effect on their treasuries. The College Chest Fund provides for this. It takes the combined contributions of the more than one thousand students on the campus and distributes them to worthy charities where they can really be felt.

This is the only charity drive conducted on campus during the year, and it is our one big chance to give. We should not let the opportunity pass. During the past five years war has ravaged almost every country of the world, and college campuses have in many places ceased to exist. If only in thanks that such a situation does not exist here, we should give to the College Chest and give liberally.

Special Events For College Chest

Saturday Auction To Aid Chest Fund

An auction, for the benefit of the College Chest Fund, will be held on Saturday, October 27, at 1:30 p.m. in the parking lot beside T-Hall. The auctioneer will be Professor James T. Schoolcraft who will sell to the highest bidder such items as lamps, tables, and bed room chairs, and real home cooked food. As an added attraction an attempt is being made to round up for sale trademarks of the professors.

The town of Durham has been divided into sections and people solicited for articles and food. A truck has been hired to transport the various items. Articles may be brought to room 4 in Thompson Hall.

This auction is being held for a worthy purpose and it will afford opportunity for students to pick up many useful items.

Vets Reorganize; Form Social Club

A group of student veterans reorganized into a social club at a meeting held in Murkland Auditorium last Friday, October 19.

More than 75 veterans met with Dean William A. Medesy, faculty adviser, at Murkland. The group elected Francis Distillio, Adam Lavernoich, and Joseph Schambier to act as their representatives until a committee is elected.

It was decided that they did not want a formal club, but one that would sponsor social affairs. A council with membership from each dormitory, Wentworth Acres, and commuters will be elected within the week. Miss Barbara Horne, a former WAVE, will represent the women veterans.

Sunday Movie Matinee Special Feature of Drive

The Franklin Theater in Durham is putting on a special feature for the benefit of the College Chest on Sunday, October 28, at 3:00 o'clock in the afternoon. The picture to be shown is a technicolor musical, "Thousands Cheer," featuring Kathryn Grayson, Gene Kelly, Judy Garland, Red Skelton, Jose Iturbi, and many others. There will be no increase in the price of admission for this feature.

Mr. Arthur Stewart, manager of the Franklin Theater, will donate the operating expenses for the matinee. All of the receipts of the show will go to the College Chest.

Crystal Ball Makes Debut Sat. Night

The first formal of the year to be held Saturday, October 27, will feature the music of Gabby LaPoint and his twelve-piece orchestra. Gabby's music is well known to those who have spent their summer evenings dancing at the Weirs during the past few years.

A unique feature of the dance will be the Wishing Well which is being conducted for the College Chest under the chairmanship of Donald Clough.

The anxiously awaited Crystal Ball will make its debut at the dance. Mortar Board has worked hard to produce a dance, which with the support of the student body, promises to be one of the best of the year. Students will hail the return of the dance programs which have been absent from UNH formals during the war.

Chaperones for the evening will be Pres. and Mrs. Harold W. Stoke, Dr. and Mrs. Thomas Phillips, and Mr. and Mrs. Glenn Stuart.

Tickets will be on sale at the "Cat" and the "Pharm" Thursday, Friday, and Saturday at \$2.40 a couple.

War Relief Agencies Still Vitrally Needed

Even though World War II has come to an end, the problem of relief for the devastated countries of Europe is just commencing. The war has usurped most of the resources and much of the food that was to keep Europe in tow for many years to come, and now unexpected needs have arisen. This emergency is on now, and will increase during the winter. With the famine clock at 11:59 in Europe and the Pacific, these emergencies must be met at once.

It is the heart of America that urges us all to respond to the appeal of the people of these countries who helped us win victory, and who suffered so vastly much more than we did.

The money for our relief agencies is needed as never before.

United War Fund Includes The USO

With seven USO clubs now operating in the Philippine Islands and others in prospect for early opening, the organization has a major job to do there for the next two years, William E. Leigh, Director of the Overseas Department, reported.

Mr. Leigh said that tons of equipment are on the way and the vanguard of trained USO personnel is on the job in Manila, working with the complete cooperation of the Army and Navy to get damaged buildings repaired and recreation programs organized for the American servicemen based there.

"Six of the clubs now open are on Luzon Island, and the seventh is in Tacloban, the capital of Leyte," he continued. "Of the former, the two largest are in St. Rita's Hall, a former Knights of Columbus Club, and the Army and Navy YMCA in Manila. Both of these buildings were badly damaged by gun fire, but repairs are being made to allow us to provide some creature comforts for the men. Social activities are being organized on an increasing scale. Other USO clubs in Manila are the Ellinwood Club in the Bible School Building, owned by the Presbyterian Mission; the Espiritu Santo Club, owned by the Catholic Church; and the club at 424 Perez Street, formerly occupied by the National Jewish Welfare Board. The most recent opening was that of the Batangas Club in two new buildings erected by the Army in the center of Batangas, a southern port on Luzon."

Clubs Needed Desperately

"All these clubs are needed desperately," Mr. Leigh said, "because there is literally no place for men to go and very little for them to see or to do save roam the streets in the most devastated ruins imaginable. No one who has not been in the Philippines since the enemy was defeated can visualize the utter destruction left in his wake. The Army and Navy are doing everything possible to meet the situation, but, just as it is the American tradition to 'go to town' when work is done, our soldiers and sailors want to get away from their military posts and surroundings whenever they have free time. Our first USO responsibility was to give them some

(continued on page 4)

\$1,325 Goal in Three Day Drive

Progress Can Be Watched By T-Hall Thermometer

With \$1,325 the goal of the fifth College Chest drive, soliciting of the student body will begin Tuesday, October 30 and will continue for three days. The drives of the previous years have always gone over the set goal and the committee hopes that this year's drive will follow this precedent.

During the three-day drive every student will be contacted. All students who contribute will fill out a card given to them by their solicitor, who will then detach from it his receipt and return the stub to the student. This stub is so constructed that it may be worn by the student as evidence of having already contributed.

Daily progress of the drive may be followed by the student body by means of a huge thermometer which will be erected beneath T-Hall archway. The daily contributions will be shown by the rise of the "mercury."

Organizations that will benefit from the 1945 College Chest drive includes; the National War Fund; the Red Cross; Salvation Army; War Student Service Fund; Army Emergency Relief; Navy Relief; the New Hampshire Society for Crippled Children; the New Hampshire Tuberculosis Association; the New Hampshire Division for Cancer Control, and New Hampshire Children's Aid Society.

WSSF Sponsors

"Chalet" for Students

A "Chalet" for rundown and tubercular students from liberated France has recently been opened at Combloux in the Haute Savoie region of France, according to reports received by the World Student Service Fund, student relief agency with offices in New York City. Already 50 students, mostly from Paris, are spending from one to three months in the quiet, invigorating mountain atmosphere.

Medical Care

The Combloux Chalet is able to provide proper medical treatment for students before they return to their studies. Typical among the ones already back in school after a stay at Combloux is a nineteen-year-old medical student, who, while Caen was a center of fighting, shouldered the whole burden of nursing 180 patients at the Caen hospital. After six weeks of unceasing labor, he contracted a primary tuberculosis infection that would have kept him from finishing his studies.

Life at Combloux is run directly by the students. A former student who served with distinction in the resistance forces is in charge of the Chalet, and a medical attendant is responsible for the guests' health. A rigid, self-imposed schedule has been set up for the students starting at 9 o'clock in the morning and ending at 10 at night with a two-hour rest period in the afternoon. All questions of communal interest are settled by a student committee of five members.

(continued on page 4)

Helen Fay Chairman; Committee Members Have Specific Jobs

At a meeting of representatives of the various campus organizations held October 5 in Grant House, Helen Fay was elected chairman of the 1945 College Chest Drive.

The vice-chairman of the Chest is Rae Seigel and the secretary is Jane Whitney. Nominations for treasurer and assistant treasurer were submitted to the accounting department for the final choice. Elizabeth Woodward and Clifford Martin as treasurer and assistant respectively were approved by the department. Jean Gleason is publicity chairman and Donald Clough is the assistant.

The various organizations representatives have been delegated to the numerous jobs that the drive entails. Rachel Burbank is in charge of the Sunday afternoon matinee at the Franklin Theater. Sylvia Fitts, Arlene Ekman, and Jack Stuart are in charge of the solicitors for the faculty, men and women students. Natalie Chick and Jane Phipps are co-chairman for the auction. Bernard Jordan is in charge of the thermometer.

Members of last year's College Chest, Peg Tower, Constance Ledward, Evelyn Cass, and Joe Bennett, are members of this year's committee ex-officio.

Prof. John Hauslein and John B. Davis, assistant to the president, are the faculty advisors.

Navy Relief Society Aids War Widows

The Navy Relief Society was incorporated January 23, 1904, in the District of Columbia for the purpose of aiding indigent widows and orphans of officers and enlisted men of the United States Navy and Marine Corps. Subsequent amendments to its Certificate of Incorporation have materially broadened the scope of its work.

As currently phrased, the purpose of the Society is to "collect and hold funds and to use the same for aid in times of need of the officers and enlisted men of the Naval Service of the United States, which term shall include the regular Navy and Marine Corps of the United States, the reserve components thereof when on active duty, and the United States Coast Guard when serving as part of the United States Navy in time of war, and also for the aid in times of need of dependents of such officers and enlisted men, and to provide relief and assistance to the dependents of deceased officers and men of said Naval Service." The primary responsibility of the Society, however, is still to provide relief and aid to dependent widows, minor orphan children, and dependent mothers of deceased personnel.

The Holy Communion Service for Episcopalians will be held at the SCM Chapel, each Sunday at 9:15 a.m. starting October 28.

The New Hampshire

Published weekly on Thursday throughout the school year by the students of the University of New Hampshire.

Entered as second class matter at the post office at Durham, New Hampshire under the act of March 3, 1879. Accepted for mailing at special rate of postage provided for in section 1103, act of October 8, 1917. Authorized September 1, 1918.

Campus Doings

SMITH HALL

Smith Hall started this year off with the following officers elected: President, "Gen" Clark; vice-president, Joan Foley; secretary, Betty Cotton; treasurer, Joyce Mitchell; social chairmen, Irene Fox and Ruth McCullough; sports chairman, Raylene Martin; floor representatives, Lee Wright, Mary Papageorge, Sally Youmans, Barbara Hyden, Mildred Thomas, and Nancy Duran.

Last weekend, all 77 of us knew each other a little better as a result of a coffee gathering Mrs. Pearl treated us to.

Beryl Stimson is student chairman of the Maine Area SCM Conference at Camp Tanglewood this coming weekend.

Marty Gale is a Phi Sigma pledge. The spirit of New Hampshire was carried to Connecticut University the past weekend by Rene Fox and Lou Larrow. Strictly business!

Our pingpong tournament is on the home stretch due to the efforts of our sports chairman. By a strange coincidence the champ on top at present is none other than Ray Martin.

CHI OMEGA

New officers of Chi Omega are Betty Collins, president; Pat Gray, vice-president; Joan Tilton, secretary; Jean Pacheco, treasurer; and Eleanor Kerr, pledge trainer.

Estelle Poirier and Marion Meyer were initiated into Phi Lambda, honorary language society, last Wednesday night. Diana Sherman is the new president.

Natalie Chick received a lovely diamond from Russell Cutler last Saturday.

Sunday afternoon we held a faculty tea. Patronesses Mrs. Samuel Hoitt, Mrs. Sumner Carlisle, Mrs. William Medesy, and Mrs. Carol Lundholm poured.

Our chapter visitor, Jane McDonald, spent the weekend with us.

Open house last Friday was very successful.

Alumnae Barbara Clappard and Glenna Sanborn Ferris visited us this weekend.

Monday night Dean and Mrs. William A. Medesy came to dinner.

Jean Pacheco went home to see Lt. William Doe who is on furlough.

PHI MU

Cpl. Charles Anderson, fiance of Marge Whalen, is home on furlough from Florida.

Mrs. Barron Shirley of Durham is substituting as our housemother this week.

Ginny Parker and Judy Ham entertained the Order of the Pythian Sisters with songs and readings last Tuesday evening.

KAPPA DELTA

Tuesday, the 23, was our Founder's Day, so Sunday afternoon, in celebration, we gave a tea for alumnae and patronesses. Several alumnae from the Manchester group were present.

Last Tuesday we had as our guests for supper Mrs. Amy Haikie and Mrs. Frances Parker, both of the Boston Alumnae Association.

First Meeting of Mike and Dial Held

The first meeting of Mike and Dial was held last Friday afternoon at four o'clock in Thompson Hall, room 308. There was a turnout of over 45 members, which promises an active year.

Lila Sprague, program director pro-tem, opened the meeting, speaking about membership and past activities of the club. The group was split into four divisions — script writing, announcing, acting, and sound effects. Professor Edmund Cortez, director of the club, coached those who were interested in announcing, while others interested in acting portrayed characters in short radio scripts, under the direction of Professor J. Donald Batcheller, Mrs. Ann Miller Morin and Virginia Helff. Mrs. Morin has starred in past performances of Mask and Dagger. Barbara Lane and Jane Elgar helped out on script writing, and gave the new script writers a list of books on techniques of radio writing. The club will soon be producing plays, some with original scripts by Mike and Dial members.

The Mike and Dial meetings will be held every Friday afternoon at four o'clock.

Sports Chairmen Meet On Oct. 29 at N.H. Hall

There will be a meeting of all sports chairmen on Monday, October 29 at 5 p.m. in New Hampshire Hall. Jane Whitney, director of Interhouse sports, will announce the schedule for the campus table tennis tournament which begins November 1. It is most important that all sports chairmen be present at this meeting as other matters will be discussed relating to each dorm. This meeting will be held with the executive board of WRA. If any sports chairman is unable to come or send a substitute, please contact Jane Whitney before October 29.

Attention sports chairmen: Has your house completed its table tennis tournament yet? If not, hurry everyone up as the deadline is October 31.

Ruth Erb has won a trip to Chicago through achievement in the 4-H Club. She will spend a week in Chicago at the beginning of December with other winners.

Dolly Fitts and her fiance, Warren Baldwin, visited us the weekend of the 13.

ALPHA XI DELTA

Dean Ruth J. Woodruff was our guest for dinner Monday night.

Barbara Cole and Jean Spiller visited two Ensigns in Boston this weekend.

The smoker received a new coat of paint over the weekend. It's now pale green with a maroon floor.

Joan Stevens went home to see her brother, in the Merchant Marine, last weekend.

Commodore's Trophy Won by Penny Cady

On Saturday, October 13, Little Bay was the scene of sailing races between the members of the Yacht Club running their four town class boats. Penny Cady, a senior and member of the club, won the traditional Commodore's Trophy with a total of twenty-five points as a result of placing first five times in six years. Runners-up for the trophy were Barbie Berger and her crew, with nineteen points; John Hird and his crew, with fifteen points; and Chet Chatfield and his crew who were unable to finish the race with two points. The protest committee consisted of Dr. G. Harris Daggett of the English Dept., and Miss Mary Humphries of the Physical Education Dept.

The trophy was presented at the dance held the same Saturday evening. The possessor of the trophy is entitled to keep it until such time when competitive races are held in the club.

Defer not till the evening what the morning may accomplish.

Phi Sigma Enjoys Mountain Climbing

Phi Sigma, the honorary biological society, combined pledging ceremonies, mountain climbing, and eating at Passaconway the weekend of October 13. Saturday afternoon a hike was taken to Sabbaday Falls. That evening the following members were pledged: Virginia Atwood, Billy Bellios, Marilyn Broderick, Martha Gale, Pat Gray, John Hennenberger, Betty McClelland, Franny Peel, Lena Pillsbury, and Sigrid Towers.

Sunday a small group climbed Passaconway mountain, another small group went to Pitcher Falls, while a larger group climbed Hedgehog Mountain.

Chaperones were Mr. and Mrs. Charles G. Dobrovoly. Regular members who also enjoyed this weekend were: Edith Converse, Barbara Dunlap, Jean French, Barbara Hayden, Richard Jones, Jeanne Kilduff, Shirley Newcomer, Betty Newell, Paul Schaefer, Eleanor Sheehan, and Clark Stevens.

No doubt a woman's head aches worse and oftener than a man's, but we're their equals when it comes to toothache.

Adult Rec Begins For Faculty, Vets

The Department of Physical Education for Women is busily planning to offer a bigger and better Rec this year for the benefit of the adult population of the university. Faculty and staff members and their wives are cordially invited, as always. In addition, the department, under the direction of Miss Marion Beckwith, is most anxious to provide recreational opportunities for veterans and their wives, whether living here in Durham or in Wentworth Acres.

The Department has been augmented by two new members of the staff this year and plans to offer the following plans:

The Dubarry Course, under the supervision of Mrs. Carolyn Wooster, is offered to anyone who is dissatisfied with the present status of her figure. If you are overweight, Mrs. Wooster will try to take off a few pounds here and there; if you are too thin, she will offer suggestions and aid in gaining weight.

Square dancing, under the direction of Miss Beckwith, assisted by Mrs. Hazel Rettig, will again be featured for those who want plenty of exercise and fun to old-time country music.

In addition, if you want some really strenuous exercise try playing badminton with Messrs. Slanetz, Funkhouser, and Atkinson — surely some of you veterans can teach our faculty members a thing or two in this field! And wives — if you want to learn to keep up with your husbands in the line of sports, Miss Evelyn Brown will be happy to offer instruction in badminton and battleboard tennis.

Watch *The New Hampshire* and your mail for further information.

Fall Tennis Tournament Gets Underway Monday

Leaders for the interclass tennis tournament have been chosen and the fall tournament will get underway next Monday. If you are interested in entering the competition, put your name on the sign-up list that will be posted in every dormitory this week. As with participation in the interclass hockey games, the WRA wishes to again emphasize the fact that ability is not a prerequisite to entering. We hope to have everyone out. If you have any questions about the tournament, get in touch with one of the tennis managers. The Tennis Tournament leader is Sandy Gould, and class managers are: freshmen, Alfreda Leocha; sophomores, Marjorie Douglass; juniors, Barbara Gibson; and seniors, Jeanne Steacie.

Jack McGinn

The good old days are slowly coming back. Yes, this fact was firmly established when the Senate Committee on Athletics finally opened up the University coffers and decided that now was the time to resume intercollegiate sports, at least basketball, on a formal basis. This means that a varsity sport has at last reared its head on the University campus or that is, will rear its head.

The decision to sponsor a basketball team on a formal basis is certainly a welcome move on the part of the University and will do much to bolster the waning student spirit which, of course, was further dulled by the lack of a football team. However, basketball is a start to the resumption of varsity athletics and we feel sure that the days of informal teams are gone for good, as well they should be.

Another factor in the resumption of a formal sport is the fact that at least six more letter men will be on campus and, as it has been told to me by those in the know, the backbone of men's activities on the campus lies in those who wear the much prized N.H. If this is so, we're back on the high road to a typical peace-time college. Let's do all we can to make it so.

Idle Chatter

Through the columns of Foster's Daily Democrat much information has been garnered by yours truly and another bit of a very arresting information appeared in the Dover daily last week. It seems that either the Dover Athletic Council or the Portsmouth High Council requested the use of the University football field along with the stands etc. for the purpose of holding their annual Thanksgiving Day gridiron tussle on the premises. The fray, which, without the slightest doubt would fill the stands of Lewis Field to their utmost capacity, is an annual New Hampshire sporting classic and brings together two fierce gridiron opponents and, as in recent years, more or less settles the grid monarch for this area. The game was to be played in Dover but in view of the fact that Bellamy Park has a small seating capacity and a rather poor playing surface, the authorities thought that Lewis Field would be a perfect setup. The question was broached to the University and in a recent meeting the proposal was turned down, due to a University ruling which apparently prohibits such non-collegiate performances. Frankly, we were disappointed.

Bud Tibbetts, member of the We Want a Hockey Team Club, has once again mentioned the fact that the University should sponsor a hockey team this year. To whom it may concern: has any action been taken?

A few predictions — Nashua to take Manchester Central, Portsmouth to top Concord. In the collegiate circles we're picking Penn. to upset Navy, Army over Duke, Notre Dame over Iowa, and Yale over Cornell. Personal question — What happened to Revere and Nashua last week? Adios.

East Defeats Hetzel In Tight Grid Duel Friday

Loss Knocks Hetzel Out Of Loop Race as Only Three Games Remain

In perhaps one of the most thrilling touch football games played in the newly formed Intramural League, the boys from East Hall's Passion Pit, plus a few reinforcements, eked out a neat 7-0 victory over the Hetzel Hustlers. The fray, which took place Friday afternoon, was full of action from start to finish and it was not until the game was in the closing stages that East notched their winning tally.

After receiving the opening kickoff, the boys from the barracks were stopped cold by the strong Hetzel line and were forced to punt out. Once in possession of the pigskin, the Hustlers opened up their vaunted passing attack and worked their way down deep in East territory, but the attack stalled and they lost the ball on downs. Neither side was able to do much in the late stages of the first half, but with thirty seconds left, Fred White heaved a long pass to the Hustler's end, and Bud Tibbetts snared it two and a half inches from the goal line. Father Time then ran out and the half ended immediately after Tibbetts' catch.

The second half opened up in much the same fashion with each team having a neat pass defense which put a damper on both sides' passing attack. In the fourth stanza it was necessary to turn on the arc lights but even then the visibility was poor and consequently a long Hetzel pass was intercepted on East's forty yard line. East then began a march down the field mixing up their passing and running offense until finally O'Leary scored on a run around the right side from the two-yard line. The placement was good in the try for the extra point, and thirty seconds later the fray was over with East on top, 7-0.

First Forfeit

In a White League game scheduled for Monday afternoon between Hetzel (1st) and Hetzel (3rd) the Third Floor quintet failed to show up and the game was forfeited to the First Floor.

Standings

In the Football League, West Hall and the Combine are tied for the sun position with one victory apiece, while East is in third place with a victory and a loss. The luckless Hetzell outfit remains in the league cellar with two losses. The two top teams met last Tuesday (too late for The New Hampshire) and the league championship may have well been decided in that tussle.

The basketball loop has not yet started to roll, but the East Pluggers share the Number One spot with Hetzel (1st) while Hetzel (3rd) and the West Raiders are in the cellar. The Blue League has not yet gotten underway.

Halloween Party!

If the black cat doesn't fall off the witch's broomstick and scare the hobgoblins away from the pumpkin patch, there'll be something brewing in the SCM caves, alias N. H. Hall, from 3:00 to 5:00 o'clock Friday afternoon, October 26.

All spooking aside, come up and see SCM in action; meet the cabinet, and see what's cooking.

SCM Conference October 24 - 28

The Maine Area Conference, sponsored by the New England Student Christian Movement, will be held the weekend of October 24-28, at Camp Tanglewood, Maine. The student chairman of this conference is Beryle Stimson.

Among the important personages at this conference will be Dr. Herbert Gezork, Mr. Peter Reckard, Miss Francine Bouillon and William J. Kitchen, secretary of the New England Student Christian Movement.

Dr. Gezork has just returned from Europe after completing an assignment under our State Department to advise on reconstruction policies for the German people. He is professor of Social Ethics at the Andover Newton Theological School.

Mr. Peter Reckard, now at Yale Divinity School, worked closely with the British Student Christian Movement, and for six months served on the staff of the World Student Relief.

Miss Francine Bouillon, recently arrived in this country from the rehabilitation center in Combloux, France, by the World Student Service Fund. During the war she was active in the resistance movement, and spent many months in a concentration camp, from which she escaped, and hid in a convent.

Representatives from the University will be Dotty Lewis, Ruth Erb, Helen Dunn, Nancy Brock, Milly Thomas, Dot Nye, Bob Abell, Beryle Stimson, Ruth Belyea, Dick Starke, and Marion MacLane.

Hockey Team Colors And Schedule Listed

The following compose the Hockey color teams and must play in the scheduled games in order to receive credit in physical education:

Orange—M. Bill, O. Brady, F. Eldridge, J. Garfield, A. Mallan, N. Nickerson, N. Stearns, E. Thurlow, N. Bake, R. Crane, N. Lovejoy, H. Smith, and E. Sterling.

Blue—B. Black, R. Cabrera, N. Fairchild, V. Glidden, P. Mason, V. Palmer, B. Stevens, E. West, L. Doone, J. DeRochemont, J. Osgood, J. Donovan, and J. Thomas.

White—C. Borofsky, M. Douglass, D. Freese, J. Harrer, J. McNeilly, E. Pierce, R. Taylor, L. Wood, M. Hausser, T. Knight, J. Fox, and S. Kretsepis.

Tues. Oct. 23—Juniors vs. Seniors
Wed. Oct. 24—Blue vs. White
Thurs. Oct. 25—Sophomores vs. Freshman
Fri. Oct. 26—White vs. Orange
Mon. Oct. 29—Orange vs. Blue

Diaphragines . . .

Dear Students and Co-eds,

I had a tough problem facing me this weekend. There were two ways out. I could either clean up my room as Mrs. Cobb wanted me to, or I could go home and have my father bawl me out for not staying up at school to study. When I learned that my father was to be out of town on a business trip, I chose the latter alternative. Upon arriving home, my mother handed me the vacuum cleaner and told me that the maid had quit. So instead of cleaning one room in Durham, as I could have done, I cleaned eight rooms in Boston. Ma Cobb is so much easier to please than Ma Diaphragines. I came back Sunday suffering from train sickness, dishpan hands, and housemaid's knees.

The train back from Boston was very exciting. We raced a horse and buggy all the way. The horse won by a cow cather, but it was still a never to be forgotten experience. We had a fine time on the train. I tripped up two cold drink salesmen, and a conductor who had the nerve to tell me four or five times that the smoking car was next door. The most thrilling part of the whole trip was when the train pulled into Durham, believe it or not, ON SCHEDULE. The engineer must have been either drunk or a new man.

Attention Louie: Even though I'm not twenty-four, and far from being a senior with a "B" average, I drove a car this weekend. If you'll call at room 498 Hetzel, anytime, I'll let you slap my wrist.

Through the combined efforts of the Tulip Twins, Herb Cline and Herb Mordecai, and Bud "Ferdinand" Tibbetts, the inmates of Hetzel have been going mad, suffering from the flower business for the past week. The dance is Saturday Night. You only have two more days to get your tuxes, tails and corsages.

ODE TO HERBIE MORDECAI

Buddy T. and Herbie C.
How does your garden grow?
With silver bells, and cockle shells
And one damm corsage.

Now to inject a note of seriousness. The CAD's (Committee for the Abolishment of Dungarees) have informed me that they are through proclaiming idle threats. The committee has issued an edict stating: "If the co-eds don't stop wearing dungarees for reasons other than sports by the first of November, the men in the organization will refuse to shave." The CAD's have asked me to act as their recruiting officer. All those who are capable of shaving (women excluded), and

Student Council Elects New Officers

In its first meeting of the 1945 season last Tuesday evening at its quarters in Ballard Hall, the Student Council elected officers and formulated plans of business and social activities.

Elected as officers on the Council were: Jack Stuart, vice-president; Robert Austin, treasurer; Bruce Bulger, secretary; and Joseph Thomas, corresponding secretary. Steve Aliapoulos was chosen to represent the council on the Student Lounge Committee.

Other members of the Student Council for the coming year are: George Brooks, Larry Staples, and Wes Clapp, all of East and West halls; Claude Henry, last year's president of the council, is representing the married veterans this year.

Male students who remain on the campus during the weekends have requested that the Field House remain open on Saturday and Sunday afternoon. "Twit" Henry was appointed to investigate the situation and report his findings to the council at the next meeting.

It has also been brought to the attention of the council that the food lines in front of the Commons are exceedingly long and slow. Suggestions have been offered that the other food line in the Commons be used. A committee consisting of President Joseph H. Bennett, and Jack Stuart were authorized to take the suggestion through the proper channels. It has been pointed out that with the cold weather coming long queues may prove very uncomfortable.

A dance committee with Jack Stuart as the general chairman was also appointed. Assisting Jack Stuart are: Bob Austin, Steve Aliapoulos, and Larry Staples. The next meeting will be held on November 6. Joseph Bennett presided at the meeting.

Rabbi Jacobson New Hillel Club Counselor

Rabbi Levi Jacobson of Temple Emmanuel of Haverhill, Mass., was guest speaker at a business meeting of Hillel Club last night in Commons. Rabbi Jacobson is Hillel's new counselor, replacing Rabbi Oscar Fleishaker who resigned. UNH students are already well acquainted with Rabbi Jacobson, as he was the chief speaker for Hillel during Religious Emphasis Week last year.

A study group has been formed, under Hillel's auspices, for the purpose of studying Jewish history. The group, under the leadership of Herb Cline, will meet every other week to discuss current events and their connection with Jewish history.

Hillel announces an important date in its calendar, Thursday afternoon, November 1, at 4 o'clock. At this time there will be a tea for members in the Alumni Room of New Hampshire Hall. Guests will be Miss Ruth Woodruff, Dean of Women; and Hillel's new advisor, Mrs. Samuel Smith of Durham.

would like to join, please write to me in care of the New Hampshire, Ballard Hall. This is an urgent plea, and the CAD'S would appreciate your prompt action.

Yours trulious

Frosh Petition For Clean Silver, Glasses

Last Friday night Freshman Commons was the scene of the first petition of the "forty-niners." A petition advocating clean silver and clean glassware was passed around and signed by parctically all the Freshmen who entered the Commons that evening. The boys, who have intensely disliked finding lipstick on their glasses, have suggested that the girls remove their lipstick before entering the dining room . . . in fact, a number of them mentioned that they'd like the job of taking it off themselves. The girls complain because the silverware is dirty. At first it was thought that the spots came because the silverware wasn't wiped — but eggs isn't water stains, and rust doesn't taste good, claim the freshmen. The petition was placed in the students' suggestion box, and is now pending action.

WSSF CHALET

(continued from page 1)

Student cooperation is also evident in the self-help association formed by members of the house to assist the less fortunate ones either by financial contributions or by aiding them in finding resources. Also foraging expeditions have been organized to supply certain scarce foods like milk and eggs for those needing special nourishment.

Return to Normal Life

The French youths who come to the Chalet get an opportunity to recover from the terrible ordeals of wartime and to readapt themselves to normal life. A social and cultural program is conducted to avoid mental stagnation and to stimulate constructive thought for the future. A music group giving weekly phonograph concerts, a choir and a photography club have been formed. In addition, study groups discuss political issues and the problems to be faced in reforming university life.

The Combloux Rehabilitation Center has proved its worth by aiding in the physical recovery of students and helping them through cooperative living to prepare for future studies. It has also enriched the life of the region where it is located by serving as a cultural center. Other Chalets patterned after the one at Combloux are being planned for European students. This work is made partly possible by the generous giving of American students to the World Student Service Fund in drives on their respective campuses.

IMPORTANT NOTICE

Senior pictures will start to be taken on Monday, October 29. Seniors who haven't received notice of their appointments please contact Shirley Newcomer, Alpha Xi Delta.

GERMAN CLUB

The German Club is resuming its activities this year under the direction of Prof. James Schoolcraft, and all those who are interested are invited to attend the first meeting at Ballard Hall next Tuesday, October 30, at 7:30 p.m.

place to go when they 'go to town,' to provide clubs immediately. Such fundamental needs as some place to sit and talk, to write or read, to listen to music or to play a game of ping-pong, were urgent. More program activities will get underway as quickly as possible, but we have been forced to do first things first. The men all say, "Give us USO clubs like the ones in Hawaii" where so many of them got their final training for combat. "USO clubs in Hawaii are still reporting more than two and a half million services each month to men and women in our armed forces."

Civil Air Patrol

There will be a meeting of the CAP tonight at 7:00 p.m. in the Field House.

Professor Donald Chapman will discuss the application of meteorology to flying. The course on Civilian Regulations will be continued by Larry Reed.

Be prompt! Tonight at 7 o'clock in the Field House.

Duke University will continue its naval training program on a permanent basis under an NROTC plan.

Birthplace of 50,000 RADARS

TWO years before Pearl Harbor the Government asked Bell Telephone Laboratories to help perfect radar as a military instrument. The Bell System, through the Western Electric Company, its manufacturing branch, became the nation's largest supplier of radar systems.

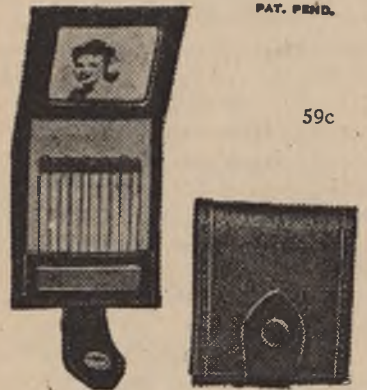

Bell scientists designed and developed many different types of radars—each for a specific job. One particular type was standard for B-29s in the Pacific for navigation, target location and high altitude bombing. Another directed all Navy guns over five inches.

This is not surprising, for radar development and production stem from the same roots that produced and continue to nourish this country's telephone system.
