

MEET YOUR 2024 TEEN CONFERENCE COMMISSIONERS

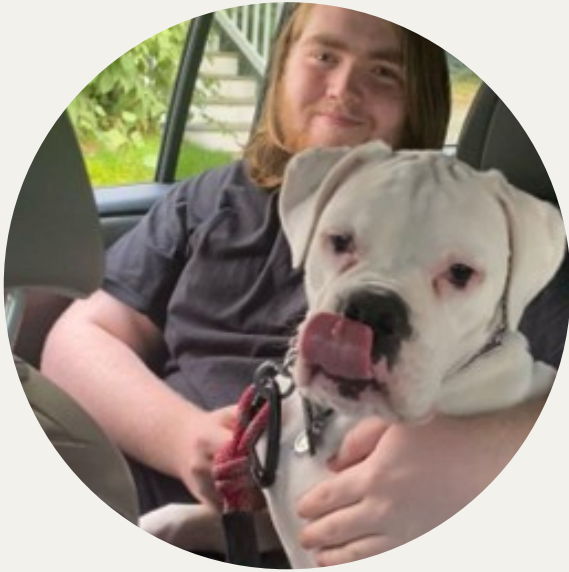

We have a team of ten teens from around the state and three advisors for our 2024 Teen Conference and we want to introduce ourselves! Grab Life by the horns is our theme and we are excited to see you all June 23-26th at UNH in Durham, NH!

Hello! My name is Jack Fabiano, I'm seventeen, and I've been in 4-H for nine years. As part of 4-H, I've also raised and shown pigs for around seven years. My favorite memory of Teen Conference has to be the candlelight reflection and closing ceremony to last year's conference. I always love listening to what makes the conference meaningful to everyone, and I thought next to the water at the Elks was the perfect place for our reflection last year.

I'm Autumn Fabiano, I'm 16 years old and I have been in 4-H for 9 years and this is going to be my 3rd NH 4-H Teen Conference. I love to travel and my favorite place I have traveled was Spain. I have pigs and chickens and I'm a varsity swimmer. My favorite memories from Teen Conference have been the banquets.

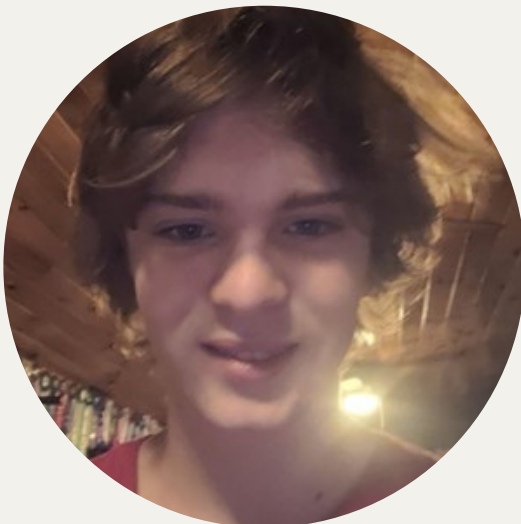

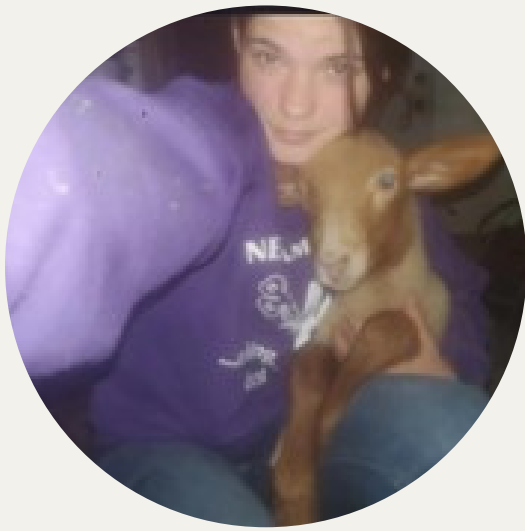

My name is Riley Gatlin, I'm fifteen and have been in 4-H for over eight years. I started in the Thumpers 4-H club, showing the rabbits my family bred as pets. Since then I've also joined the Hillsborough County Youth Leadership Team, become the youth representative on the Hillsborough County Advisory Council, and joined the amazing Teen Conference Commission. My favorite part about Teen Conference is seeing everyone come out of their shells and make new friends. I'm a shy guy myself, but I met so many new people through the Conference that I wouldn't have been able to without it. I love animals and baking (not at the same time), as well as reading and gaming.

Hi! My name is Gloriana and I am 17. This is my first year in 4-H, and I joined because I had so much fun at the 2023 Teen Conference. My favorite parts were the Wheelchair Sports workshop and playing games with new friends. I love to meet others and learn about their interests. In addition to TCC, I am also on a rock-climbing team!

Hello my name is Bill DeWitte. I have been a member of 4-H for 8 years. I play varsity football and enjoy lacrosse in the off season. My favorite memory of Teen Conference is meeting all sorts of new people every year.

Hi! I'm Kida Smith. I'm 16 years old and have been active in 4-H for 8 years. I started off showing dairy goats and got sheep soon after. I'm in FFA as well which has brought me to showing beef cattle as well. I play varsity hockey for the Kingswood girls hockey team and I'm on the Prospect Mountain high school equestrian team. One of my favorite Teen Conference memories is getting to walk around with friends and eat ice cream.

My name is Charlotte Dill. I am 16 years old and have been in 4-H for 8 years. I raise and show Southdown, Hampshire, and market lamb sheep. This will be my 3rd Teen Conference. My favorite memory is hanging out with my friends at night after a long day of activities. Fun Fact: Both of my parents were on the planning commission for Teen Conference!

Hi, my name is Annie DeWitte . I am 15 years old. I have been in 4-H for 7 years. I show beef cows right now and have shown goats and pigs. 4-H has helped me improve my communication skills and leadership skills. I play football for Merrimack Valley High School too. The best part of Teen Conference last year was hanging out with old friends and meeting new ones. I can't wait to meet you all and get to know you!

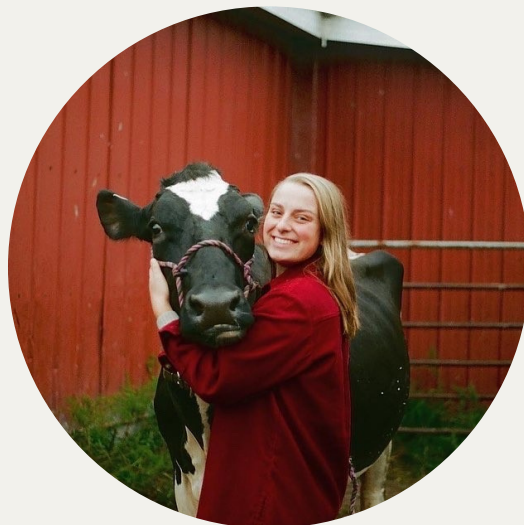

Hey, my name is Chrystina Bedell and I am 16 years old. I have been in 4-H for two and a half years. I am the President of my 4-H club, Horse Huggers. Through 4-H I have taken a role in helping out my community and mentoring the younger kids in my club. My favorite part about Teen Conference was how welcoming and excited everyone was to be there.

Hi I am Sam Bedell. I have been a part of 4-H for going on 7 years now. I work with horses in my 4-H club Horse Huggers. I also do fundraisers with my second club, the Sullivan County Youth Leadership Team. My favorite part of Teen Conference last year has to be the banquet and dancing.

MEET YOUR 2024 TEEN CONFERENCE COMMISSIONER ADVISORS

Hello! My name is Andie Majewski and I am the Collegiate Advisor of the Teen Commission! I absolutely love the work that I get to do in the 4-H office while planning the NH 4-H Teen Conference with this group of commissioners. My favorite part of Teen Conference is getting to see everyone enjoy the 4-H community that they find while on campus. Trying new things with new friends is always something great to experience! Outside of this work, I love to be outside on a hike or just reading a book in the woods. I also love trying out new recipes while cooking and baking!

Hi, I'm Carrie Finke. I am the 4-H Program Assistant in Hillsborough County and also the leader of the Growing Green 4-H Garden Club and mentor for the 4-H STEM Ambassadors. I love being outdoors, gardening in the summer, and snowmobiling in the winter. I am enjoying getting to know the teens who are planning this year's conference and I'm looking forward to attending my first Teen Conference in June!

Hi! I am Ian Gove and am one of the volunteer advisors for the 2024 Teen Conference Commissioners. I have been involved in 4-H for 27 years! I like to give back and help youth in the same way that 4-H helped me when I was a youth member. I work full time as a Product Owner at a financial services company, leading a team of software engineers. In my spare time I enjoy playing drums, reading, camping, and spending time with my wife and 5 year old daughter. I can't wait to see everyone at this year's Teen Conference!

Hello I am Kristen Lyons. I am the 4-H Teen Leadership Field Specialist here in Durham, NH. Supporting Teen Conference is one of my favorite parts of my job, since I get to work with a great group of teens and advisors all year and then see all their hard work come together in June. In my spare time my daughters and I take adventures around New Hampshire, read, practice yoga and go to the beach, even when it's freezing! My favorite part of Teen Conference is honestly just our down-time moments, where teens connect over big and small things they have in common.
