

HARNESSING THE MIGHTY MUSHROOM

Are mushrooms a good fit for your farm?

This 3-part online program will explore adding mushroom production to your agricultural business or as a stand-alone enterprise.

Each session will cover different aspects of mushroom cultivation and distribution. Producers from New Hampshire will be present to share their experiences and takeaways.

All sessions are 12:00pm - 1:30pm.

This workshop is online only.

April 20 - Outdoor Log Production and Indoor Growing; Food Safety Considerations

April 27 - Value-added Processing, Packaging, and Labeling

May 4 - Marketing and Sales

There is no cost for this workshop, but **registration is required.**
