Dear Faculty, Staff and Students,

I hope your semester is off to a great start and that you enjoyed some time off over the holiday weekend.

On Wednesday, Sept. 11, from 3:30-5 p.m. in the MUB Strafford Room, the results of the campus climate survey will be shared and discussed.

Please take some time to review the [executive summary](#) and then join us at the forum, either in person or via [live stream](#), to learn about the findings in more detail and provide feedback on the next steps we will identify.

We all play a role in ensuring our community is open, fair and equally accessible for all students, staff and faculty. Thank you for everything you already do and will do to help ensure our campus climate is welcoming and inclusive.

Sincerely,

James W. Dean Jr.
President
