DURHAM, N.H. - The Center for Family Business will address strategic choices and their impact on family-owned businesses during a special presentation, "Looking at Strategic Choices and the Impact of Change," Wednesday, March 10, 2004, from 8 a.m. to noon, at the Holiday Inn, 172 North Main Street, Concord.

By showcasing a small New England company, participants will explore choices unique to family-owned businesses. This highly interactive seminar taught by an expert in case study will focus on the impact of change and growth on the organization, including the future impact of decisions, the role of a board of directors in the selection process, and the impact decisions make on cash flow.

The program will be facilitated by Les Charm, a partner at Youngman & Charm. A special one-time trial registration fee of \$125/person or \$250/family is offered for nonmembers. The event is free to UNH Center for Family Business members. To register, or for more information about the UNH Center for Family Business, call Barbara Draper at (603) 862-1107, or visit www.familybusiness.unh.edu.
