DURHAM, N.H. -- The University of New Hampshire Advising and Career Center invites businesses from across the state to participate in the 2004 Last Chance Job/Internship Fair on campus Thursday, April 8, 2004.

This is an all majors, all campus wide fair to enable employers to meet students and identify candidates for internships or post-graduation employment. In past years, more than 800 students have attended the fair, which will run from 11 a.m. to 3 p.m.

Fifty-five tables are available to employers, who are encouraged to register early. The registration fee is \$300 for profit and \$175 for nonprofit organizations. The job fair registration fee includes wireless Internet access, table and chairs, food vouchers for two people, free parking for one vehicle, unloading/loading assistance, and publicity.

To register, visit <http://www.unh.edu/career-services/register/> and fill out the form. Once submitted, employers will be prompted regarding payment.

Join the university for a day of recruitment of UNH's best and brightest students and future leaders of tomorrow.
