---

DURHAM, N.H.– The University of New Hampshire Whittemore School of Business and Economics seeks employers to participate in a graduate business and technology career fair Friday, Oct. 1, 2004.

The fair, sponsored by the Whittemore School Office of Placement, will be held from 10 a.m. to 2 p.m. in the Huddleston Hall Main Ballroom. The career fair offers employers an opportunity to meet MBA graduate students interested in advancing their careers through post-graduation employment, leadership programs and internships. Approximately 125 business, economics and technology students and Whittemore School alumni are expected to attend.

Graduate students at the Whittemore School concentrate their studies in business administration, accounting, decision sciences, supply chain management, economics, entrepreneurial venture creation, finance, or marketing. Many attend a resume workshop prior to the event to prepare for the fair and they often have previous career experience to offer.

Employers interested in recruiting UNH business, economics and technology students are invited to contact Darius Thompson, director of placement and corporate relations, at 603-862-4004 or [darius.thompson@unh.edu](mailto:darius.thompson@unh.edu). The registration fee is being paid by the Whittemore School Office of Placement. If a company would like to participate, please register online at [www.unh.edu/wsbe/placement/fair.html](http://www.unh.edu/wsbe/placement/fair.html).
