

Construction Cancels Greenhouse Open House

2021 event will be held in expanded facility

Tuesday, February 25, 2020

⋮

The 2020 UNH open house at the Macfarlane Research Greenhouse formerly scheduled for Saturday, March 28, has been cancelled. The greenhouse is undergoing expansion and renovation that will advance the university's teaching, research, and outreach capabilities in the areas of agriculture, horticulture and plant science.

The construction project is estimated to conclude summer 2020. The NH Agricultural Experiment Station, the College of Life Sciences and Agriculture and Cooperative Extension look forward to welcoming the public to the 2021 open house in our expanded and enhanced research facility.
