DURHAM, N.H. – A haunted house, game room and indoor trick or treating are just a few of the activities that University of New Hampshire students at Mills Hall have planned for families at their second annual Halloween Extravaganza. The event takes place October 29, 2004 at Mills Hall on the Durham campus from 5-8 p.m.

The Halloween Extravaganza is a special event for the greater Durham community, faculty, staff and students to bring their children and their Halloween spirit to UNH's newest residence hall, where the students will offer trick or treating opportunities, food, games and a tour—if you dare—of the Haunted House.

“This is a family friendly event, and our goal is to provide a safe, fun environment for younger children to trick or treat and enjoy the holiday,” says Jen Scumaci, Mill's Hall director. The activities are oriented towards children ages 2-10.

The Halloween Extravaganza is free and open to the public. Mills Hall is located between the Memorial Union Building (MUB) and Mill Road at 20 Quad Way in Durham. Parking arrangements have been made for visitors to park at B or C lot for the event; there will be signs to direct visitors to the lots.
