## Medical Release

The program participant as named on this Health and Medication Form is physically able to participate in this program including handling their project animals, if animals are involved. I understand that if a serious illness or injury develops, medical and/or hospital care will be given; however, the sponsor is not responsible in case of accident or illness. I further understand that in case of medical emergency, that the emergency contacts listed on this form will be contacted. If the program participant named on this form is a minor, I hereby give permission in the case of a medical emergency to the attending physician to hospitalize, secure proper treatment for, and order injection, anesthesia, or surgery for the program participant. I will assume all financial obligations incurred if not covered by insurance. I understand this form will be in the possession of the appropriate program staff or volunteer leaders.

I certify that I am the parent/guardian of the above named child (or I am 18 years of age and legally eligible to sign for myself) and that the information set forth on this form is correct to the best of my knowledge. I agree that I will update this form as my child's conditions/medications change.

# Youth Code of Conduct

4-H is committed to providing a welcoming community and an inclusive culture that allows all youth to feel a sense of belonging and to participate fully and safely. Our values include civility and mutual respect among our youth participants. 4-H has very high standards and expectations for conduct. Parents/guardians and participants are responsible for reviewing and agreeing to follow these expectations.

1. Be on time and participate fully.
2. Be respectful, use good manners, and follow instructions.
3. Be honest. We expect integrity.
4. Show mutual respect for each other's differences and ideas.
5. 4-H events are tobacco, drug, vaping and alcohol-free.
6. Youth are expected to use appropriate language.
7. Abide by specific program rules and regulations, including all health and safety procedures.
8. Treat program areas, lodging areas and transportation vehicles with respect. You will be responsible for any damage, theft, or misconduct in which you participate.
9. Dress appropriately for 4-H programs. Follow the dress code if there is one. If you're not sure, ask.
10. Conduct that is harmful to the safety and well-being of self or others is not tolerated.
11. The possession of fireworks, firearms, knives or any other weapons is not permitted at 4-H events unless specifically approved for the program by the staff or volunteers in charge.
12. Live up to your highest expectations for yourself so that you can return home proud of who you are and what you have done.
13. 4-H events are free of bullying (including cyberbullying), hazing, and harassment.
14. Help all persons in your group feel that they belong by making every attempt to include all participants in all activities.
15. Code of Conduct expectations apply to the use of social media before, during and after the event.
16. For remote learning activities, participants are expected to refrain from:
  1. Taking and/or sharing photos or screenshots of images/videos of classmates or instructors without permission.
  2. 'Chatting' privately between classmates or instructors during a group meeting or activity.
  3. Publicly sharing login/connection information to a private meeting.
  4. Private one-to-one interaction between adults and youth.

If any of these expectations are not followed, or additional conduct issues arise, 4-H staff will review the situation to determine if any actions must be taken. Final action could result in immediate dismissal from the program without a refund.

I have read the New Hampshire 4-H Code of Conduct and agree to live up to the expectations. I realize my failure to do so could result in a loss of privileges during the event or activity and/or future 4-H events.

# Youth Permission and Release

I understand that the above named individual will be participating in the New Hampshire 4-H program. The activities include active, hands-on activities that occur at local, county and statewide venues. Many of these activities are supervised exclusively by volunteers. We understand the responsibilities, hazards, and dangers inherent in participation in the program, including transportation. It is the policy of UNH Cooperative Extension never to sell or share information with outside agencies. We may share information with other 4-H Leaders or UNH staff within the county or state for the purpose of planning and promoting events.

We hold harmless the University of New Hampshire, its trustees, officers, agents, employees, and volunteers from and against all claims, demands, actions, and causes of action for damages which may be sustained by the above named youth or anyone else. This includes personal injury, death or property damage, whether or not the result of negligent acts or omissions on the part of the University of New Hampshire. If the above named youth's participation in the activity causes damage to the property at which the event is taking place, we agree to pay the property owner for such loss.

**I agree to the terms above**

## Helmet Release for 4-H Equestrians

My child will be participating in the 4-H Horse Program. I understand that all youth enrolled in the NH 4-H program must wear a properly fitted equestrian safety helmet which carries ASTM-SEI approval with secured chin harness properly fastened at all times when mounted on an equine or in a vehicle being pulled by one or more equines. Helmets are required for In-Hand participants with the exception of Fitting and Show classes. I further understand that it is the responsibility of the rider and the parent/guardian of the minor rider to see to it that the headgear worn complies with such approved standards and carries the proper seals and is properly fitted and in good condition. Parents/exhibitors must check helmet expiration date. Helmets should be replaced after an impact or after 5 years. University of New Hampshire Cooperative Extension, organizing committees, and licensed officials are not responsible for checking headgear worn for such compliance. University of New Hampshire Cooperative Extension makes no representation or warranty, expressed or implied, about such headgear, and cautions riders and parents/guardians that serious injury may result despite wearing such headgear as no helmet can protect against all foreseeable injuries in equestrian sports.

**I have read and agree to the terms for the Helmet Release for 4-H Equestrians.**

# Code of Conduct for 4-H Parent/Guardian/Family Behavior

In 4-H, we promote positive youth development, where we focus on creating safe environments where youth can explore, learn, and grow. To help us achieve these goals for all youth in the program, we ask that parents, guardians, and family members abide by the following Code of Conduct:

- Abide by the policies, guidelines, and rules outlined for 4-H programs, events, activities, and clubs.
- Be respectful of all attendees. Exhibit reasonable and generous behavior. Treat and accept others as you want to be treated before, during, and after all 4-H programs and activities.
- Communicate calmly and positively. The use of abusive and vulgar language is not acceptable. Difficult conversations will need to happen at times, do it respectfully and calmly. Understand that there are many paths to a solution.
- Help create a safe and inclusive environment for youth. The safety of youth is the responsibility of everyone. Actions that put youth at risk or create a hostile environment, such as sexual innuendo, slander, profane language, racial/ethnic slurs, disparaging remarks, or bullying behavior, are unacceptable.
- Maintain an alcohol-free and controlled substance-free 4-H setting. The possession, selling, offering, or using of alcohol or controlled substances is prohibited at 4-H events, programs, activities, and clubs. Attending while under the influence of alcohol or controlled substances is also prohibited.
- Supervise your family and guests. We encourage the involvement of family and guests in our 4-H programs when appropriate. We also expect those that attend to abide by our code of conduct. We ask that during 4-H Club meetings, programs, activities, or events, you be responsible for the direct supervision and behavior management of those attendees. Failure to supervise could result in the loss of privileges to attend future events.

As a parent/guardian/family member, I understand that my failure to abide by this Code of Conduct, or participating in other inappropriate conduct that does not support the goal of creating a positive youth development environment as determined by UNH (University of New Hampshire) Extension representatives, may result in my loss of privilege to attend 4-H programs, events, activities, or clubs, or in extreme cases, my child's exclusion as well (as deemed by the 4-H State Leader).
