Six nursing students founded sigma Theta Tau International to recognize, promote and reward nursing excellence. Sigma Theta has more than 100,000 active members throughout the world. It is a network of nursing leaders who practice as clinicians, administrators, supervisors and educators dedicated to improving the health of the world's people through knowledge, scholarship, technology and leadership. Membership is conferred only on nursing students or nurses with exceptional achievement in their field who have graduated from bachelors, masters or doctoral programs.
