---

A four-day blood drive will be held Monday, Sept. 17 through Thursday, Sept. 20 at the University of New Hampshire's Memorial Union Building, from noon to 5 p.m.

To try and make accessibility a little easier, the following accommodations are being made:

People arriving at UNH and Durham will be directed to park at Boulder Field on the north end of campus. (This is where parking for UNH football games takes place.) The University will provide shuttle service in vans from the parking lot to the MUB and back in a continuous cycle. Extra signage and people will be available to help donors find their way around the MUB.
