An informal planning meeting will be held Monday, September 17, at noon, in the Student Life conference room, located in the basement of Hitchcock Hall at UNH. We will gather to discuss fundraising efforts and other activities to support and/or supplement efforts already in place following the September 11 attacks in New York and Washington, D.C. Please join us if you can.

Many thanks to those of you who have already passed along ideas and information. I will plant these seeds when we meet. If you are aware of other current efforts, PLEASE share. You can post to this list by sending e-mail to: Community.Service@lists.unh.edu.
