UNH News Bureau

DURHAM, N.H. -- The University of New Hampshire Great Bay Living Lab will conduct "hands on" field trips to the Great Bay estuary for middle-school students, beginning Sept. 27.

Teachers will have an opportunity to receive the Great Bay Living Lab resource manual and a preview of the program Wednesday, Sept. 22, at 4 p.m. at Jackson Estuarine Laboratory on Adams Point in Durham.

Space is limited. For information and reservations, call Barbara or Sharon at 749-1565.
