DURHAM, N.H. – Education and child safety experts from the University of New Hampshire are available to discuss various aspects of bullying, from school liability issues to the latest research.

Todd DeMitchell, professor of education, is available to discuss school liability, adequate supervision, and responses to preventing bullying from school administrators and state legislatures. In addition to his research in this area, DeMitchell has two decades of experience in K-12, including as a teacher, principal and superintendent. He can be reached at (603) 862-5043 and tad@unh.edu

Comments from DeMitchell about cyber-bullying:

David Finkelhor, director of UNH's Crimes against Children Research Center, can discuss the current research about bullying, signs of bullying, and ways to stop it. A nationally recognized researcher and expert on crimes against children, Finkelhor can be reached at (603) 862-2761 and david.finkelhor@unh.edu. More information on bullying is available at <http://www.unh.edu/ccrc/bullying/>.
