What to do if you travel internationally for UNH

Monday, September 12, 2016

If you plan to travel internationally for UNH, registration in the International Travel Registry is required.

There are many benefits to the registry, including enrollment in the International SOS Travel Assistance and Insurance program.

In addition to meeting UNH requirements, enrollment in the registry also facilitates communication and support in the event of an emergency abroad and meets UNH and international IT security protocols.

To register or for more information, visit the UNH Global website [here](#).
