UNH And Partners Host Informational Sessions April 21 And 22 On Government Grants For Small Businesses

April 15, 2011

DURHAM, N.H. – The University of New Hampshire and its business partners will host a series of informational sessions for small businesses seeking government grants through the Small Business Innovation Research (SBIR) and the Small Business Technology Transfer (STTR) programs.

The STTR and SBIR are grant programs targeted to small businesses to fund innovation, research and discovery of new methods, products, and processes. Grants are available from 11 federal agencies, including the Department of Defense, Department of Energy, and the National Institutes of Health.

The informational sessions will be held as follows:

Proposal Preparation - Department of Defense/Department of Energy
Sponsored by the NH Innovation Research Center (NHIRC) and UNH Office for Research Partnerships and Commercialization
 Speaker: Lisa Kurek, BBC Consulting
 Date: Thursday, April 21, 2011
 Time: 8:30 a.m. to 4:30 p.m.
 Location: Piscataqua Room, Holloway Commons at UNH, Durham
 Additional information: <http://www.eventbrite.com/event/1533327223>

SBIRs/STTRs for Medical Device Development
Sponsored by the NH Bio/Medical Council
 Speaker: Lisa Kurek, BBC Consulting
 Date: Thursday, April 21, 2011
 Time: Networking 5:30 to 6 p.m., Presentation 6 to 7 p.m.
 Location: Devine Millimet, 111 Amherst Street, Manchester, NH 03101
 Additional Information: <http://www.nhbiotech.com/events/2011/4/21/best-in-bio-series-sbirsttr-for-medical-devices>

SBIR/STTR 101 Workshop
Sponsored by the NH Small Business Development Center and the NH High Technology Council
 Speaker: Lisa Kurek, BBC Consulting
 Date: Friday, April 22, 2011
 Time: 9 a.m. to noon
 Location: Nashua Technology Park, Innovative Way, Nashua, NH 03062
 Additional Information: <http://www.nhsbdc.org/sbirsttr-101>

Kurek, managing partner at Biotechnology Business Consultants, has extensive experience in the biomedical technology field, including in product development, sales, sales management, product management and business development within the industry. She has experience in large, publicly held corporations as well as small entrepreneurial start-up companies.

The University of New Hampshire, founded in 1866, is a world-class public research university with the feel of a New England liberal arts college. A land, sea, and space-grant university, UNH is the state's flagship public institution, enrolling 12,200 undergraduate and 2,300 graduate students.
