Helping Students Find Their Way

A Measure of Success

Karen P. Bennett, of [UNH Cooperative Extension](#) and the department of natural resources and the environment in the [UNH College of Life Sciences and Agriculture](#), received the 2016 UNH Faculty Excellence Award for Public Service. She is the first UNH Extension staff person to receive the honor.

A forester, Bennett has been described as the thread that holds

Teaching Students To Think

Pushing Past the Limits

the forestry community together.

“Part of the reason I like what I do is that I have the opportunity to interact with these great professionals, these great organizations, and in partnering with them, we’re able to achieve our mission more easily and more readily,” Bennett says.
