

## The Green Zone

---

Monday, October 23, 2017

Military and Veteran Services is offering the Green Zone program for faculty and staff to help them better understand the student veteran experience and how their military background may present challenges on campus and in the classroom.

Many veterans are transitioning back to civilian life and may need additional resources and support to help with the process; understanding those needs can aid in the transition. The program runs between 45-90 minutes.

More information can be found [here](#) or by calling Military and Veteran Service's Denny Byrne at 862-0643.
