UNH Hosts Crane & Co. Chair and CEO Nov. 6

DURHAM, N.H. -- Charles Kittredge, chairman of the board and former CEO of Crane & Co., a seventh generation family-owned business, will speak at a joint meeting of the University of New Hampshire CEO Forum and the Center for Family Business Thursday, Nov. 6, 2014, starting at 8 a.m. in Huddleston Hall. Kittredge is a sixth generation descendent of Zenas Crane who founded the company in 1801.

Crane & Co. specializes in the manufacture of banknote papers, printed banknotes, passports and counterfeit deterrent security features. Crane has been supplying the United States with currency paper since 1879. The company also holds contracts with a variety of central banks around the globe, and markets high quality cotton stationery for social and business uses. The company is headquartered in Massachusetts — with facilities in New Hampshire, Georgia, New York City and Sweden — and employs 1,400 people.

Kittredge will share Crane's 200+ year history and how the company structure and management has changed. He will also talk about how the company and its governance structure have evolved over the past 15 years to meet the needs of an increasingly diversified family shareholder base.
