

Faculty Honors

Sunday, March 4, 2018

Harlan Spence, professor of physics and director of the Institute for the Study of Earth, Oceans, and Space, was named a Fellow of the American Association for the Advancement of Science (AAAS). AAAS recognized Spence for his “distinguished contributions to space exploration, the development of instruments to characterize the radiation intensity in space and for continued leadership in the heliophysics community.”

Eleanor Harrison-Buck, associate professor of anthropology, received a Whiting Public Engagement Fellowship to establish a public history museum in Belize that focuses on the Kriol (Creole) community.

Brad Kinsey, professor of mechanical engineering, was named a fellow of the Society of Mechanical Engineers.

Art Greenberg, professor of chemistry, was named a fellow of the American Chemical Society, and Wayne Jones, dean of the
