The University of New Hampshire, founded in 1866, is a world-class public research university with the feel of a New England liberal arts college. A land, sea, and space-grant university, UNH is the state's flagship public institution, enrolling 13,000 undergraduate and 2,500 graduate students.

Editor's Notes:

The files above provide lists of UNH graduates by New Hampshire counties and regionally by state. These files reflect those students who have filed for May 2022 only. They do not contain information about students who graduated in September and December of 2021.
