The (603) Challenge is back and bigger than it's ever been – so make sure you don't miss the excitement April 8 through April 12. This year's challenge features more matching funds than we've ever had before – \$300,000 from our generous underwriters – so be sure to give early to have your gift matched, up to \$300 per donor. There are also more area challenges than ever, as well as a host of bonus challenges and other opportunities to maximize the impact of your gift. Help us once again make this the best (603) Challenge yet! Get all the info you need now and throughout the challenge at [unh.edu/603](http://unh.edu/603).
