Donor support reaches new heights for 10th consecutive challenge

Tuesday, April 16, 2024

Once again, the entire UNH community stepped up in record-setting ways during this year’s (603) Challenge, helping UNH raise more than $3.2 million over five days — the most money ever raised during a single challenge. Thank you to all of the generous donors who made this yet another incredible success.

More than 12,200 alumni, parents, faculty, staff, students and friends gave during the event, helping the university community celebrate a decade of impact with The (603) Challenge by marking the 10th consecutive year that the challenge has exceeded its previous year's results.
